TRIGGER POINT

CreateSpace *When you want to take power, call the SAS A right-wing billionaire is standing for Parliament. To help him, he enlists the help of former SAS soldier, Gabriel Wolfe. Gabriel left the Army after a covert mission went disastrously wrong and has sworn never to cause another man's death. It quickly becomes clear that Sir Toby Maitland's ambitions extend far beyond a seat as an MP. When an ex-contact in Swedish Special Forces, now working for MI5, contacts Gabriel, he realises he has little choice but to try to stop his employer's juggernaut in its tracks. Drugs, guns and plastique Gabriel finds himself embroiled in deals with Hells Angels and a South African arms dealer in the US before the true nature of Sir Toby's plan is revealed. This is a fast-paced thriller in the same vein as early James Bond, through Robert Ludlum's Bourne books to Lee Child's Jack Reacher series. Expect fast cars, gunplay, nailbiting suspense and enough hardware to start a small war. Watch out, there's a new guy in town If you like your action hot and heavy and your heroes cool under fire, you'll love Gabriel Wolfe. But be warned, beneath the calm surface deep currents are flowing. Currents that threaten to take him under every single day of his life. "Action, double-crosses, villains galore... a rattling good thriller! Early Bond meets Jack Reacher - a thrilling debut outing for a new action hero."Damien Seaman, author of Berlin Burning and The Killing of Emma Gross.*

Plagued by visions of the dead comrade he left behind, Gabriel now freelances for The Department, a secret British Government hit squad. He wants to take out whoever ordered the attack. Gabriel's desire for vengeance leads him to Eden, the Brazilian rainforest compound of a religious cult called The Children of Heaven. The cult's leader is "Père Christophe", a psychopath with a taste for fine wines, Mozart and extreme violence. But when Gabriel arrives, he is brainwashed, brutalised and fitted for his own suicide vest. Then his real battle begins. To prevent more deaths ... including his own. "A Cross Between Bond and Reacher" This edge-of-your-seat action thriller is the third full-length outing for Andy Maslen's "hero among us", Gabriel Wolfe. Condor combines heart-stopping action with nightmarish scenes of psychological breakdown. Gabriel's enemies include a sadistic Colombian cartel boss nicknamed "The Baptist", a vicious biker gang - the Sons of Satan - and, in the heart of the rainforest itself, a psychopathic cult leader with a taste for classical music, fine wine and extreme violence. Fans of Lee Child, James Patterson, Vince Flynn and Daniel Da Silva are already saluting Maslen as an author to watch. CRAVEN What readers are saying: 'A high octane roller-coaster of

SPECIMEN SONG

Open Road Media *A "plain-spoken, deep-thinking Montana cattle inspector" takes on a serial killer in DC (The New York Times Book Review). With misgivings, cattle inspector and sometime deputy Gabriel Du Pré has left his hometown of Toussaint, Montana, for big-city Washington, DC, where the Métis Indian fiddler has agreed to play his people's music for a Smithsonian festival. But like the frightened and confused horse galloping wildly down the National Mall, Du Pré is very much out of his element. He does know how to catch and calm a runaway horse, however. If only catching a killer could be so simple. When a Cree woman from Canada who came to sing in the festival is found murdered, her death is just the first in a series of fatal attacks on Native Americans. Each killing is foretold by a shaman, and each time a primitive weapon is used. As the body count rises, Du Pré fears he might be the serial killer's ultimate target. New York Times–bestselling author Ridley Pearson says about Peter Bowen's Montana mysteries: "The best of Tony Hillerman meets Zane Grey . . . Du Pré is a character of legendary proportions." And Booklist calls Gabriel Du Pré "one of the most unusual characters working the fictional homicide beat." Specimen Song is the 2nd book in The Montana Mysteries Featuring Gabriel Du Pré series, but you may enjoy reading the series in any order.*

WOLF BOYS

TWO AMERICAN TEENAGERS AND MEXICO'S MOST DANGEROUS DRUG CARTEL

Atlantic Books A chilling true story of two American teens recruited as killers for a Mexican cartel, and their pursuit by an increasingly disillusioned detective. At first glance, Gabriel Cardona is an exemplary American teenager: athletic, bright, handsome and charismatic. But his Texas town is poor and dangerous, and it isn't long before Gabriel abandons his promising future for the allure of the Zetas, a drug cartel with roots in the Mexican military. Meanwhile, Mexican-born Detective Robert Garcia has worked hard all his life and is now struggling to raise his family in America. As violence spills over the border, Detective Garcia's pursuit of the Zetas puts him face to face with the urgent consequences of a war he sees as unwinnable. In Wolf Boys, Dan Slater takes readers on a harrowing, moving, and often brutal journey into the heart of the Mexican drug trade - from the Sierra Madre mountaintops to the smuggling ports of Veracruz, from cartel training camps and holiday parties to the dusty alleys of South Texas. Ultimately though, Wolf Boys is the intimate and vivid story of the 'lobos': teens turned into pawns for cartels. A non-fiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

DEVIL HOUSE

A NOVEL

MCD INSTANT NEW YORK TIMES BESTSELLER "It's never quite the book you think it is. It's better." —Dwight Garner, *The New York Times* From John Darnielle, the *New York Times* bestselling author and the singer-songwriter of the Mountain Goats, comes an epic, gripping novel about murder, truth, and the dangers of storytelling. Gage Chandler is descended from kings. That's what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm, but soon the story leads him into a puzzle he never expected—back into his own work and what it means, back to the very core of what he does and who he is. *Devil House* is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding tale of crime, writing, memory, and artistic obsession.

THE TRAVELER

A NOVEL

Seal Books Gabriel and Michael Corrigan are two young men living just beneath the glittering surface of life in Los Angeles. Since childhood, the brothers have been shaped by stories that their father was a Traveler — one of an elite group of prophets able to attain pure enlightenment. The Corrigans, who may have inherited their father's gifts, have always lived "off the grid" — that is, invisible to the intricate surveillance networks that monitor people in our modern world. Thousands of miles away, Maya is attempting to lead a normal life in London. The attractive twenty-six-year-old designer wants to ignore the fact that she comes from a long lineage of Harlequins — a band of warriors pledged to protect the Travelers at all costs. When Maya is summoned to Prague by her ailing father, she learns that Gabriel and Michael have just been located in California. The brothers may represent the last surviving Travelers, and are in desperate need of protection. Maya is reluctant to be drawn into the solitary, destructive life of her ancestors, but she has been trained to fight since she was a young girl. Also searching for the brothers is Nathan Boone, a disciplined mercenary working for the

Tabulas — ruthless men who are determined to inflict order on the world by invisibly controlling its population. Boone and the Tabulas fear the power of the Travelers, and for generations Tabulas have hunted them down. When Maya flies to California in search of Gabriel and Michael Corrigan, a colossal battle looms that will reveal a secret history of our time. In this stunningly suspenseful first novel, reminiscent of George Orwell and Philip Pullman, John Twelve Hawks has created a vividly imagined world that runs parallel to our own. Moving at lightning speed from the back alleys of Prague to the underworld of Los Angeles to a guarded research facility in New York, The Traveler goes beneath the surface to give us new insights on history and our own lives.

The President says it will be okay, because they are the Chosen Ones. But Gabriel isn't so sure. Gabriel's their scavenger, and he's seen what it's like out there. Then one day Gabriel finds a bloodstained map. The blood's not a problem, nor are the frozen remains of the person it once belonged to. Gabriel's used to seeing dead bodies. There's far worse to be found in any Walmart or Piggly Wiggly you care to wander into. Except this one he recognizes, and it shouldn't be all the way out here. Now all Gabriel can think is how he's going to make it back to the bunker and let the President know what he's found. But Gabriel's troubles are only just beginning.
