HEDGEHOGS

THE ESSENTIAL GUIDE TO OWNERSHIP & CARE FOR YOUR PET

CreateSpace From the weather predictors of the Roman Empire to the croquet balls in Alice in Wonderland, hedgehogs have captivated our imaginations throughout history. Yet as pets, hedgehogs have only become popular in the last few decades-which is a shame, considering how playful and affectionate they can be. Hedgehogs are hearty and low-maintenance pets. As their popularity in the pet trade has increased so, too, has the available knowledge about the animal, and today it's easier than ever to keep a pet hedgehog happy and healthy. A hedgehog can fit into almost any lifestyle. Whether you need a furry friend to make your apartment feel less lonely or you're a family with cats and dogs that wants to add something new, the hedgehog will quickly burrow its way into your heart. In this book, you'll learn what kind of cage you need to buy, how to socialize the animal to your touch, and how to monitor its interactions with other pets, as well as all the basics of food, cleaning, and handling you'll need to know to keep your hedgehog healthier longer. Hedgehogs are active and inquisitive creatures, and having one as a pet means having tons of play time to look forward to. This book will show you how to keep up with the animal's high exercise demands, and how to assess and work with your individual hedgehog's unique personality. You'll learn which toys and treats they especially love, what things to avoid, and how to co-ordinate a nocturnal animal's ideal schedule with your day to day activities. With their quilled backs and unique behaviors, it's easy to see why people think of hedgehogs as an exotic pet. This book will help make the exotic familiar, allowing you to add a touch of the wild to your own home.

HEDGEHOG. HEDGEHOGS AS PETS. HEDGEHOG BOOK FOR HOUSING, CARE, TRAINING, HUSBANDRY, DIET AND HEALTH

Pesa Publishing Hedgehog Hedgehogs have been domesticated for many years. The hedgehog has a short life span and is solitary in nature. But in spite of this, it is very popular amongst pet enthusiasts across the world. Hedgehogs have many qualities that make them endearing as pets. But at the same time, they can display some characteristics that can confuse the pet owner. It is important that a prospective buyer educates himself about the animal. If you wish to buy and domesticate a hedgehog, then you should make an attempt to understand the unique mannerisms of the animal. This will enable you to understand your hedgehog better. It is important to understand how you can keep your hedgehog healthy and happy. The main aim of this book is to acquaint you with all the information that you need to domesticate a hedgehog. This book will help you to clear all the questions that you might have regarding the hedgehogs and their domestication. THE ELEGANCE OF THE HEDGEHOG

Gallic Books Renée is the concierge of a grand Parisian apartment building, home to members of the great and the good. Over the years she has maintained her carefully constructed persona as someone reliable but totally uncultivated, in keeping, she feels, with society's expectations of what a concierge should be. But beneath this façade lies the real Renée: passionate about culture and the arts, and more knowledgeable in many ways than her employers with their outwardly successful but emotionally void lives. Down in her lodge, apart from weekly visits by her one friend Manuela, Renée lives resigned to her lonely lot with only her cat for company. Meanwhile, several floors up, twelve-year-old Paloma Josse is determined to avoid the pampered and vacuous future laid out for her, and decides to end her life on her thirteenth birthday. But unknown to them both, the sudden death of one of their privileged neighbours will dramatically alter their lives forever.

HEDGEHOGS

YOUR ESSENTIAL GUIDE TO PET CARE FOR A HEALTHY AND HAPPY HEDGEHOG

What's not to love about hedgehogs? These pets are some of the most amazing companions to have in your home as they are little, cute, and with the most adorable skin. HEDGEHOG

Reaktion Books From the Romans who viewed the hedgehog as a weather prophet to modern gardeners who depend on the creature to keep gardens pest-free, the small, spiny animal has had a close connection with humans since the dawn of civilization. A creature of fascination, endearment, and cultural significance, it is one of the few wild animals that people can approach without the fear of attack or it running away. Exploring how this and other characteristics of the hedgehog have propelled it to become one of people's favorite animals, this book examines the natural and cultural history of these symbolic creatures. Following the hedgehog as it spreads through Europe and Asia to the foot of Africa, Hugh Warwick describes its evolution, behavior, habitat, and diet, as well as its current endangered status. He also looks at the animal's appeal, accessibility, and status as a pet in many countries, considering its appearance in advertising, films, children's books, and games. Casting new light on the ancestors of Sonic and Mrs. Tiggy-Winkle, Hedgehog is a fascinating look at these prickly, admirable animals.

HEDGEHOG CARE

THE ESSENTIAL GUIDE ON HOW TO CARE FOR YOUR PET HEDGEHOG.

Hedgehogs are active and inquisitive creatures, and having one as a pet means having tons of play time to look forward to. This book will help you with everything you need to feeding, housing, grooming health care issues and many more. Hurry up now and get your copy!

THE HEDGEHOG AND THE FOX

AN ESSAY ON TOLSTOY'S VIEW OF HISTORY - SECOND EDITION

Princeton University Press "The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to *War and Peace*. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.

HEDGEHOG NEEDS A HUG

Penguin Everyone needs hugs, even if they're prickly. When Hedgehog wakes up feeling down in the snout and droopy in the prickles, he knows a hug will make him feel much better. But none of his animal friends are eager to wrap their arms around Hedgehog's prickles, and he's too smart to fall for Fox's sly offer. Then Hedgehog gets a surprise: Another animal in the forest is feeling exactly the same way. Luckily, both are kind and brave enough for the perfect hug.

HEDGEHOGS AS PET

EVERYTHING ABOUT HEDGEHOGS CARE GUIDES, FEEDING, GROOMING, BEHAVIOR, HISTORY, HOUSING, TREATS, TRAINING AND HOW THEY MAKE GREAT PETS

THE HEDGEHOG HANDBOOK

Head of Zeus Ltd Hedgehogs, with their quiet determination and bristling, bumbling ways, are seen by many of one of life's most enduring symbols of the countryside and town gardens. This shy, snuffling, enigmatic animal has captured the imagination of children and adults for centuries - from Beatrix

Potter's Mrs Tiggywinkle to Sonic the Hedgehog. Full to the brim with fascinating insights and countryside lore, *The Hedgehog Handbook* explores different facets of this much-admired mammal – from its wildlife habits to its literary heritage, how different cultures have viewed the hedgehog and what we can do to help preserve this icon of rural life. Fun, sweet and warm hearted, *The Hedgehog Handbook* is a month by month celebration of one of the countryside's best-loved creatures. Packed with inspirational quotes, entertaining facts, folklore and literary references, it's the perfect gift for anyone with a penchant for prickles.

THAT'S NOT MY HEDGEHOG

There are lots of hedgehogs for children to meet, and lots of new textures to touch and feel, in this colourful board book.

HEDGEHOG HOWDEDO

Puffin Books Teach your baby to count with this delightful board book story about hibernating hedgehogs from the creator of *Hairy Maclary and Friends*. It is winter, and the garden is full of sleeping hedgehogs. All is peaceful now, but what will happen when they wake up in spring?

RSPB SPOTLIGHT HEDGEHOGS

Bloomsbury Publishing Introduction to hedgehogs in the wild and their place in the culture.

HEDGEHOGS

T. & A. D. Poyser *The hedgehog has long been a popular and familiar animal, both in its appearance in suburban country gardens and as an endearing character in folk tales and children's books. As a consequence, there have been many popular books on the hedgehog, but none which really open the reader's eyes to the 13 or more species outside of Europe.*

HEDGEHOG (COLLINS NEW NATURALIST LIBRARY, BOOK 137)

HarperCollins UK *The hedgehog is regularly voted Britain's favourite mammal, and yet we know surprisingly little about the life of this spiny mammal. Pat Morris provides an all-encompassing new study of the hedgehog and its habitat, shedding new light on conservation efforts crucial to the survival of this charming creature of our countryside.*

THE HEDGEHOG EFFECT

THE SECRETS OF BUILDING HIGH PERFORMANCE TEAMS

John Wiley & Sons *In The Hedgehog Effect, Manfred Kets de Vries presents the case for leadership group coaching as an experiential training ground for learning to function as a high performance team. His group coaching model, incorporating living case studies, has been developed over more than 20 years of delivering programs to top-level executives and sets the standard in the field of leadership group coaching. Written for coaches, consultants, leadership development directors, and anyone working in or with teams, The Hedgehog Effect begins with an in-depth analysis of what teams and groups are all about. The intricacies of leadership coaching are illustrated with an elaborate example of a team coaching intervention. In Part Two, the author applies a psychodynamic lens to the dynamics of teams and groups, taking a close look at relationship patterns, how groups evolve, and the phenomenon of the group-as-a-whole. Part Three takes a more systemic perspective, addressing the challenges that change processes pose for people in organizations, and how to create best places to work. Kets de Vries supports the whole with the story of an organizational change initiative accomplished through group coaching.*

HEDGEHOG PETS

HEDGEHOG PETS, SECOND EDITION, ISBN 1-888144-06-8 (120 pages, with 70+ drawings, photographs) & EVERYTHING YOU WANTED TO KNOW ABOUT HEDGEHOGS, FOURTH EDITION, ISBN 1-888144-07-6 (172 pages, with 100+ drawings, photographs, charts) are two, comprehensive guides covering the care of pet hedgehogs.
