The Little Book of Restorative Justice

Revised and Updated

Simon and Schuster Howard Zehr is the father of Restorative Justice and is known worldwide for his pioneering work in transforming understandings of justice. Here he proposes workable principles and practices for making Restorative Justice possible in this revised and updated edition of his bestselling, seminal book on the movement. (The original edition has sold more than 110,000 copies.) Restorative Justice, with its emphasis on identifying the justice needs of everyone involved in a crime, is a worldwide movement of growing influence that is helping victims and communities heal, while holding criminals accountable for their actions. This is not soft-on-crime, feel-good philosophy, but rather a concrete effort to bring justice and healing to everyone involved in a crime. In *The Little Book of Restorative Justice*, Zehr first explores how restorative justice is different from criminal justice. Then, before letting those appealing observations drift out of reach into theoretical space, Zehr presents Restorative Justice practices. Zehr undertakes a massive and complex subject and puts it in graspable form, without reducing or trivializing it. This resource is also suitable for academic classes and workshops, for conferences and trainings, as well as for the layperson interested in understanding this innovative and influential movement.

Dialectics of the Concrete

A Study on Problems of Man and World

Springer Science & Business Media Kosik writes that the history of a text is in a certain sense the history of its interpretations. In the fifteen years that have passed since the first (Czech) edition of his *Dialectics of the Concrete*, this book has been widely read and interpreted throughout Europe, in diverse centers of scholarship as well as in private studies. A faithful English language edition is long overdue. This publication of Kosik's work will surely provoke a range of new interpretations. For its theme is the characterization of science and of rationality in the context of the social roots of science and the social critique which an appropriately rational science should afford. Kosik's question is: How shall Karl Marx's understanding of science itself be understood? And how can it be further developed? In his treatment of the question of scientific rationality, Kosik drives bluntly into the issues of gravest human concern, not the least of which is how to avoid the pseudo-concrete, the pseudo-scientific, the pseudo-rational, the pseudo historical. Starting with Marx's methodological approach, of "ascending from the abstract to the concrete", Kosik develops a critique of positivism, of phenomenalist empiricism, and of "metaphysical" rationalism, counter posing them to "dialectical rationalism". He takes the category of the concrete in the dialectical sense of that which comes to be known by the active transformation of nature and society by human purposive activity.

Think and Grow Rich

Sristhi Publishers & Distributors Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

Postmodernism's Role in Latin American Literature

The Life and Work of Augusto Roa Bastos

Springer Augusto Roa Bastos (1917-2005), winner of the prestigious Cervantes prize, is one of the most important Latin American writers of the twentieth century. This commemorative collection consists of articles by nine scholars reflecting upon the postmodern nature of the Paraguayan author's literary production and his place in world literature. The volume includes articles on the author's screenplays, his masterpiece, the dictator novel *The Supreme*, his short stories, feminist approaches to Roa Bastos's novels, reflections on the writer's Guaraní poetry, and a study of the complex, intertextual relationships between his novel *El fiscal* and his other texts.

Panel

AA Publications Although largely marginal within official accounts of modern architecture, during the second half of the twentieth century the development of large concrete panel systems was central to debates about architecture's modernisation and industrialisation. Through this development, not only was construction transferred from the building site to the factory floor, and manual labour succeeded by automated mass production, but political, aesthetic and ideological debates began to inscribe themselves onto the panel itself, a symbol for a whole new set of architectural values. Distributed and adapted to many different cultural, geographical and political contexts, these systems went beyond national borders in producing more than 170 million apartments worldwide. This book focuses on a particular aspect of this history, namely those systems exported from Soviet Russia into Cuba and then on to Chile in the 1960s and 1970s. Written from the point of view of the worker as much as the architect, and containing an incredible visual panoply of archival photographs, stills, cartoons, sketches and drawings, as well as oral histories from its surviving protagonists, the book offers a fascinating portrait of an architectural and political history whose symbolic and physical register all along is a concrete panel.

The Book of Veles

Gost Books Photographs of contemporary Veles are intertwined with fragments from an archaeological discovery also called 'the Book of Veles' -- a cryptic collection of 40 'ancient' wooden boards discovered in Russia in 1919, written in a proto-Slavic language. It was claimed to be a history of the Slavic people and the god Veles himself--the pre-Christian Slavic god of mischief, chaos and deception

For Marx

City of the Beasts

HarperCollins A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for *International Geographic*, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.

Chronicle of a Death Foretold

Penguin UK *Chronicle of a Death Foretold* is a compelling, moving story exploring injustice and mob hysteria by the Nobel Laureate Gabriel Garcia Marquez, author of *One Hundred Years of Solitude* and *Love in the Time of Cholera*. 'On the day they were going to kill him, Santiago Nasar got up at five-thirty in the morning to wait for the boat the bishop was coming on' Santiago Nasar is brutally murdered in a small town by two brothers. All the townspeople knew it was going to happen - including the victim. But nobody did anything to prevent the killing. Twenty seven years later, a man arrives in town to try and piece together the truth from the contradictory testimonies of the townsfolk. To at last understand what happened to Santiago, and why. . . 'A masterpiece' *Evening Standard* 'A work of high explosiveness - the proper stuff of Nobel prizes. An exceptional novel' *The Times* 'Brilliant writer, brilliant book' *Guardian*

A Novelist's Tour of the World

The House on Mango Street

Vintage NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

The House of the Spirits

A Novel

Simon and Schuster The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

Nineteen Eighty-Four

publi "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

La Tregua

La tregua is the story of Martin, a widower who begins to write the intimate details of his dull gray existence in a diary. But when a young new employee, Laura, bursts onto his office routine, Martin, a common but not mediocre man who is aware of his own limits and unattractiveness; unwittingly opens a luminous parenthetical statement in the diary of his life. Published in fifteen countries, translated into eight languages, and adapted for radio, television, and the theater.

The 5AM Club

Own Your Morning. Elevate Your Life.

HarperCollins Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

Cuentos de Amor de Locura Y de Muerte

Createspace Independent Publishing Platform *Cuentos de Amor de Locura y de Muerte* Horacio Quiroga This collection of stories includes tales about illness, despair, exile, and human brutality. The author himself compiled the selection. Held to be among the greatest writers of short-fiction, Horacio Quiroga has been compared to Kipling and Poe.

Practical Reason

On the Theory of Action

Stanford University Press This work by Pierre Bourdieu develops the anthropological theory which has formed the basis of his scientific research. It discusses the problems posed by "structuralist" philosophers in order to solve or dissolve them.

The Magic of Thinking Big

One Hundred Years of Solitude

Harper Perennial

The Magellan Fallacy

Globalization and the Emergence of Asian and African Literature in Spanish

University of Michigan Press The first and only study to date of the Spanish-language literature of both Southeast Asia and West Africa

The Feast of the Goat

Faber & Faber Urania Cabral, a New York lawyer, returns to the Dominican Republic after a lifelong self-imposed exile. Once she is back in her homeland, the elusive feeling of terror that has overshadowed her whole life suddenly takes shape. Urania's own story alternates with the powerful climax of dictator Rafael Trujillo's reign. In 1961, Trujillo's decadent inner circle (which includes Urania's soon-to-be disgraced father) enjoys the luxuries of privilege while the rest of the nation lives in fear and deprivation. As Trujillo clings to power, a plot to push the Dominican Republic into the future is being formed. But after the murder of its hated dictator, the Goat, is carried out, the Dominican Republic is plunged into the nightmare of a bloody and uncertain aftermath. Now, thirty years later, Urania reveals how her own family was fatally wounded by the forces of history. In The Feast of the Goat Mario Vargas Llosa eloquently explores the effects of power and violence on the lives of both the oppressors and those they victimized. 'The Feast of the Goat will stand out as the great emblematic novel of Latin America's twentieth century and removes One Hundred Years of Solitude of that title.' Times Literary Supplement

The Silent Patient

The record-breaking, multimillion copy Sunday Times bestselling thriller and Richard & Judy book club pick

Hachette UK WITH OVER THREE MILLION COPIES SOLD, read the Sunday Times and No.1 New York Times bestselling, record-breaking thriller that everyone is talking about - soon to be a major film. 'The perfect thriller' AJ FINN 'Terrific' - THE TIMES Crime Book of the Month 'Smart, sophisticated suspense' - LEE CHILD 'Compelling' - OBSERVER 'Absolutely brilliant' - STEPHEN FRY 'A totally original psychological mystery' - DAVID BALDACCI 'One of the best thrillers I've read this year' - CARA HUNTER 'The pace and finesse of a master' - BBC CULTURE Alicia Berenson lived a seemingly perfect life until one day six years ago. The Wind-Up Bird Chronicle

Random House Toru Okada's cat has disappeared. His wife is growing more distant every day. Then there are the increasingly explicit telephone calls he has recently been receiving. As this compelling story unfolds, the tidy suburban realities of Okada's vague and blameless life, spent cooking, reading, listening to jazz and opera and drinking beer at the kitchen table, are turned inside out.

and he embarks on a bizarre journey, guided (however obscurely) by a succession of characters, each with a tale to tell. 'Visionary...a bold and generous book' New York Times 'Murakami weaves textured layers of reality into a shot-silk garment of deceptive beauty' Independent on Sunday 'Deeply philosophical and teasingly perplexing, it is impossible to put down' Daily Telegraph 'Mesmerising, surreal, this really is the work of a true original' The Times

The Myth of Sisyphus And Other Essays

Vintage One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning. With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.

Emotional Intelligence

Why It Can Matter More Than IQ

Bloomsbury Publishing Daniel Goleman offers a vital new curriculum for life that can change the future for us and for our children

The Unwomanly Face of War

Penguin UK The long-awaited translation of the classic oral history of Soviet women's experiences in the Second World War - from the winner of the Nobel Prize in Literature Bringing together dozens of voices in her distinctive style, *The Unwomanly Face of War* is Svetlana Alexievich's collection of stories from Soviet women who lived through the Second World War: on the front lines, on the home front, and in occupied territories. As Alexievich gives voice to women who are absent from official narratives - captains, sergeants, nurses, snipers, pilots - she shows us a new version of the war we're so familiar with, creating an extraordinary alternative history from their private stories. Published in 1985 in Russia and now available in English for the first time, *The Unwomanly Face of War* was Alexievich's first book and a huge bestseller in the Soviet Union, establishing her as a brilliantly revolutionary writer.

The Motorcycle Diaries

Penguin UK 'A Latin American James Dean or Jack Kerouac' Washington Post 'It's true; Marxists just wanna have fun... a revolutionary bestseller' Guardian At the age of twenty-three, Ernesto 'Che' Guevara and his friend Alberto Granado set out from their native Argentina to explore their continent, with only a single 1939 Norton motorcycle to carry them, nicknamed *La Poderosa* ('the powerful one'). They travelled not to visit the usual tourist attractions, but to meet ordinary people and understand Latin American life. In amidst the tales of youthful adventures - of women, wine, thrilling escapes and the power of friendship - the young Che also learns first-hand about poverty, philosophy and philosophy and forms himself into the man who would become the world's most famous and admired revolutionary and freedom fighter. 'For every comic escapade of the carefree roustabout there is an equally eye-opening moment in the development of the future revolutionary leader. By the end of the journey, a politicized Guevara has emerged to predict his own legendary future' Time

The Shack

Windblown Media After his daughter's murder, a grieving father confronts God with desperate questions -- and finds unexpected answers -- in this riveting and deeply moving #1 NYT bestseller. When Mackenzie Allen Phillips's youngest daughter Missy is abducted during a family vacation, he remains hopeful that she'll return home. But then, he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note that's supposedly from God, inviting him back to that shack for a weekend. Against his better judgment, he arrives on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change his life forever.

Reason and Revolution

Routledge This classic book is Marcuse's masterful interpretation of Hegel's philosophy and the influence it has had on European political thought from the French Revolution to the present day. Marcuse brilliantly illuminates the implications of Hegel's ideas with later developments in European thought, particularly with Marxist theory.

Love in the Time of Cholera

Penguin UK Nobel prize winner and author of *One Hundred Years of Solitude* Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece *Love in the Time of Cholera*. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' Sunday Telegraph 'An amazing celebration of the many kinds of love between men and women' The Times

My Sweet Orange Tree

Pushkin Press A worldwide classic of children's literature - a moving, life-affirming childhood story, finally available in English again Meet Zezé - Brazil's naughtiest and most loveable boy, his talent for mischief matched only by his great kindness. When he grows up he wants to be a 'poet with a bow-tie' but for now he entertains himself playing pranks on the residents of his family's poor Rio de Janeiro neighbourhood and inventing friends to play with. That is, until he meets a real friend, and his life begins to change... My Sweet Orange Tree is a worldwide classic of children's literature - never out of print in Brazil since it was first published in 1968, it has also been translated into an astonishing number of languages and won the hearts of millions of young readers from Korea to turkey, Poland to Thailand and in many other countries too. José Mauro de Vasconcelos (1920-84) was a Brazilian writer who worked as a sparring partner for boxers, a labourer on a banana farm, and a fisherman before he started writing at the age of 22. He is most famous for his autobiographical novel My Sweet Orange Tree, which tells the story of his own childhood in Rio de Janeiro.

Snow Crash

Penguin UK The only relief from the sea of logos is within the well-guarded borders of the Burbclaves. Is it any wonder that most sane folks have forsaken the real world and chosen to live in the computer-generated universe of virtual reality? In a major city, the size of a dozen Manhattans, is a domain of pleasures limited only by the imagination. But now a strange new computer virus called Snow Crash is striking down hackers everywhere, leaving an unlikely young man as humankind's last best hope.

Narcoland

The Mexican Drug Lords And Their Godfathers

Verso Books The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, Narcoland has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, Narcoland takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

The Fractal Geometry of Nature

Echo Point Books & Media, LLC The Essential Guide that Introduced Fractals to the World Explore the wondrously complex repeating shapes of the natural world in The Fractal Geometry of Nature. Written in a style that is accessible to a wide audience, computer scientist, professor, mathematician, economist, and visionary Benoit B Mandelbrot's fascinating work has inspired popular interest in the geometry inherent in the natural world. Unlike the squares, circles, spheres, and cones of fundamental geometry, nature has rough edges and no straight lines or perfect curves. Mandelbrot observed that, even with this roughness, there still exists a kind of symmetry, which he dedicated his work to document and study. This became the basis for his development of a new kind of geometry; indeed, he coined the term "fractal." Mandelbrot spent 35 years with IBM, which allowed him access to the level of computing power that would enable him to manipulate computer-generated images and develop his theory of a geometry found throughout our natural environment. He was among the first to use computer graphics to illustrate and test these kinds of concepts, demonstrating that natural phenomena which appear to be rough or chaotic actually have a certain degree of order and predictability. This definitive overview builds on Mandelbrot's 1977 work, Fractals: Form, Chance and Dimension (also published by Echo Point Books), revealing an in depth look at this still-emerging field. Richly illustrated and presented in an engaging manner which embraces geometric and visual dimensions interspersed with aspects of theory, this book will inspire curiosity and wonder in artists, mathematicians and naturalists alike. This book is also available from Echo Point Books in hardcover (ISBN 1648370403). Be sure to check out Benoit Mandelbrot's other definitive work, also available from Echo Point books: Fractals: Form, Chance and Dimension (use

The Preference for the Primitive

Episodes in the History of Western Taste and Art

Phaidon Press Available in paperback for the first time, Professor Gombrich's highly-acclaimed last book offers a revealing insight into the history and psychology of taste. The Preference for the Primitive is a study of the idea that older and less sophisticated ('primitive') works are somehow morally and aesthetically superior to later works that have become soft and decadent. Summing up more than 40 years of study and reflection on this theme, this book presents a closely argued narrative supported by extensive quotations that document with precision the role of authors, critics and artists in shaping and changing opinion.

Nada

Random House Eighteen-year old orphan Andrea moves to battle-scarred Barcelona to take up a scholarship at the university. But staying with relatives in their crumbling apartment, her dreams of independence are dashed among the eccentric collection of misfits who surround her, not least her uncle Roman. As Andrea's university friend, the affluent, elegant Ena, enters into a strange relationship with Roman, Andrea can't help but wonder what future lies ahead for her in such a bizarre and disturbing world. Translated by Edith Grossman 'One of the great classics of contemporary European literature' Carlos Ruiz Zafon

The Stranger

Vintage With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

One Flew Over the Cuckoo's Nest

Moving into a mysterious old house, Miranda finds that she can see the horrifying things that happened there in the past; but can she do anything now to change history?

Women who Run with the Wolves

Myths and Stories of the Wild Woman Archetype

A Jungian analyst explores the feminine psyche through stories of "wild women"--the mythological archetype of the strong, primitive woman
