[Penguin](#) A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

The Eagle and the Rose

A Remarkable True Story

[Hachette UK](#) In **THE EAGLE AND THE ROSE**, Rosemary Altea tells the remarkable story of awakening to her psychic gifts as a medium and healer. As simple and honest as the story is remarkable, **THE EAGLE AND THE ROSE** describes how Rosemary Altea is chosen to be the voice of the spirit world; how she is taken under the wing of a Native American spirit guide named Grey Eagle and taught to use her astonishing power to heal, go astral-travelling, and perform soul rescue. Grey Eagle calls Rosemary "his Rose" as he helps nurture her gift. In the casebook section of **THE EAGLE AND THE ROSE** are 10 stories of astonishing impact - how a woman decapitated in a train wreck relives her traumatic death in Rosemary Altea's body in order to adjust to life in the hereafter; how a tragic boating accident is predicted months before the fact by Rosemary Altea on a live radio show; how a dead child convinces his mother that he is safe with relatives on the spirit plane. Behind all these moving communications is Grey Eagle, Rosemary's mentor, constant companion, and friend. His spirit pervades this book as he focuses the spotlight on an important teaching: Life may continue after death, but how we behave on the Earth Plane does count. Grey Eagle elevates the message in this book to a transcendent level. He says, "We are all souls and must treat each other with kindness." We are not human beings having a spiritual experience. We are spiritual beings having a human experience.

Soul Stories

Now in **SOUL STORIES**, Gary Zukav brings this concept and many others vividly alive, with marvellous true stories of how they manifest themselves in individual lives. With contributions by a diverse and international group of scholars, the collection includes fourteen chapters written in English and three in French. Confronting the 'transnational challenge' posed to the traditional theoretical and institutional structures that underlie the teaching and study of law in the university, the seventeen authors of *Stateless Law: Evolving Boundaries of a Discipline* bring new insight to the ongoing and crucial conversation about the future shape of legal scholarship, education and practice that is emblematic of the early twenty-first century. This collection is essential reading for academics, institutions and others involved in determining the future roles, responsibilities and education of jurists, as well as for academics interested in Law, Sociology, Political Science and Education.
