## French Grammar You Really Need To Know: Teach Yourself

**Hachette UK Comprehensive and clear explanations of key grammar patterns and structures are reinforced and contextualized through authentic materials. You will not only learn how to construct grammar correctly, but when and where to use it so you sound natural and appropriate. French Grammar You Really Need to Know will help you gain the intuition you need to become a confident communicator in your new language.**

## Family Language Learning

## Learn Another Language, Raise Bilingual Children

**Multilingual Matters Family Language Learning is a practical guide designed to support, advise and encourage any parents who are hoping to raise their children bilingually. It is unique in that it focuses on parents who are not native speakers of a foreign language. It gives parents the tools they need to cultivate and nurture their own language skills while giving their children an opportunity to learn another language. The book combines cutting-edge research on language exposure with honest and often humorous stories from personal interviews with families speaking a foreign language at home. By dispelling long-held myths about how language is learned, it provides hope to parents who want to give their children bilingual childhoods, but feel they don't know where to start with learning foreign languages.**

## Cambridge English for Schools 2 Teacher's Book

**Cambridge University Press Aimed at young students, this comprehensive book includes an 'A-Z of Methodology' reference section. The levels 1-4 contain around 80 hours of class work depending on the various options used. The Starter level provides around 40-60 hours of class work.**

## Essential French Grammar: Teach Yourself

[Hachette UK](#) Essential French Grammar will help you get more out of your study of French. Essential French Grammar is an up-to-date introduction to French grammar. You don't need to know a lot about grammar before you start. Everything is explained simply and there are lots of examples to illustrate each point. Unlike more traditional grammars, Essential French Grammar is structured so that you can look up language forms according to what you want to say, even if you don't know the grammatical term for them. If you already know some grammar, then you can use the 'reference grammar' section at the back of the book to look up the points you need. The course consists of 18 units illustrating the various uses to which the language can be put, for example, giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures, such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practice what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly. This edition contains a 'taking it further' section which will direct you to further sources of real French. Essential French Grammar will help you to understand and manipulate French grammar with confidence because: - you need no prior knowledge of grammatical terminology to use it; - the approach is accessible and supportive; - the examples are clear and in context; - exercises help you practise every point. Now in a brand new edition with new, easy-to-follow page design and interactive on-line features: NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. USEFUL VOCABULARY Easy to find and learn, to build a solid foundation for speaking. END-OF-UNIT SUMMARIES AND ONLINE TESTS Summaries and tests to help you keep track of your progress. EXTEND YOUR KNOWLEDGE Extra online articles at: [www.teachyourself.com](http://www.teachyourself.com) to give you a richer understanding of the culture and history of French.

### How to Succeed in School Without Spending All Your Time Studying; A Guide for Kids and Teens

**Penguin** A surprisingly simple way for students to master any subject--based on one of the world's most popular online courses and the bestselling book *A Mind for Numbers* *A Mind for Numbers* and its wildly popular online companion course "Learning How to Learn" have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Fans often wish they'd discovered these learning strategies earlier and ask how they can help their kids master these skills as well. Now in this new book for kids and teens, the authors reveal how to make the most of time spent studying. We all have the tools to learn what might not seem to come naturally to us at first--the secret is to understand how the brain works so we can unlock its power. This book explains: • Why sometimes letting your mind wander is an important part of the learning process • How to avoid "rut think" in order to think outside the box • Why having a poor memory can be a good thing • The value of metaphors in developing understanding • A simple, yet powerful, way to stop procrastinating Filled with illustrations, application questions, and exercises, this book makes learning easy and fun.

## American Artisan and Illustrated Journal of Popular Science

### Lowell L. Bennion

### Teacher, Counselor, Humanitarian

**Dialogue Foundation** Lowell L. Bennion is legendary in many circles. An LDS institute instructor and professor of sociology at the University of Utah, he was never content simply to quantify social ills or to preach against them but actively set out to correct what he could. He founded and directed the Teton Valley Boys Ranch, served as executive director for the Salt Lake City Community Services Council, and organized other charities. His heart was with the underprivileged. He detested Pharisaism and often quoted biblical passages on the topic adapted to a Mormon ear: As your treading is upon the poor, ... I hate, I despise your f(ast) days, and I will not (dwell in) your solemn assemblies ... Take thou away from me the noise of thy songs; for I will not hear ... Woe unto them that are at ease in Zion. Bennion passed away in 1996 just after this biography was released, leaving an enormous void where he had been a beacon to humanitarian and liberation causes in his community.
