This is the ultimate guide to get started with day trading and make a lot of money. Take Action Now By Clicking The Orange Buy Now Button At The Top Of This Page - This Is A Limited Time Offer! Weekly Options for Monthly Income *CreateSpace* Weekly Index Options became available on the Chicago Board of Options Exchange in 2003. I have watched this type of Options Trading evolve as more investors used weekly trading. The trading software I have developed adapted to the weeklies evolution. The software became simpler: It uses SPX for the weekly options My principle strategy for trading Weekly Index Options uses 2 sigma Condors: Short Calls 2 standard deviations above the market and the Long Calls the next strike price higher; Short Puts 2 standard deviations below the market and the Long Puts the next strike price lower. This is called 2 Sig Iron Condors. I have developed a tactic to make weekly profits in spite of the huge daily Up and Down movements in the SPX. SelfAdapSPXweeklyVLTy is the name of my software which I use to generate monthly income. The software described in this book uses only SPX for the options because I discovered that when I used other underlying stocks or indices such as Google and SPY, SPX usually finished best. This book describes how to use the TradeMonster real-time SPX quotes for computing the 2 sig Condors used in my Software: SelfAdapSPXweeklyVLTy. Trade Monster's affiliate OptionsHouse can be used for Weekly Options trading if you have a minimum of \$2,000 in the account. I use 1/4 of the capital = \$500 for Margin to generate about \$100 for the week or \$400 for the Month. In other words you get 90% return per month on \$500 margin. Remember the weekly in-out trades should be no more than 2 per week to avoid being designated a day trader by your broker which requires a minimum of \$25,000 in your account. Reference Guide to the International Space Station *CreateSpace* The International Space Station (ISS) is a great international, technological, and political achievement. It is the latest step in humankind's quest to explore and live in space. The research done on the ISS may advance our knowledge in various areas of science, enable us to improve life on this planet, and give us the experience and increased understanding that can eventually equip us to journey to other worlds. As a result of the Station's complexity, few understand its configuration, its design and component systems, or the complex operations required in its construction and operation. This book provides high-level insight into the ISS. The ISS is in orbit today, operating with a crew of three. Its assembly will continue through 2010. As the ISS grows, its capabilities will increase, thus requiring a larger crew. Currently, 16 countries are involved in this venture. The sophisticated procedures required in the Station's construction and operation are presented in Amazing 3D Graphics generated by NASA 104 pages of spectacularly detailed color graphics the Space Station as you've never seen it before! Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico &

Central America Life Remotely Entrepreneur Warren Buffett: 7 Ultimate Financial Habits Createspace Independent Publishing Platform ** (Free "5 Life-Changing Habits You Can Begin Today" Inside) Consistently ranked among the world's wealthiest people, Buffett is known for his frugality, calculated financial practices, and philanthropy. His financial and life philosophies are some of the most respected and celebrated in the business world. Buffett's own success is the truest testament to the efficacy of his financial habits, and with this simple guide, these same habits are available to you. As Warren Buffett says: "Time is the friend of the wonderful company, the enemy of mediocre" First Year of Marriage The Newlywed's Guide to Building a Strong Foundation and Adjusting to Married Life, 2nd Edition *Our Peaceful Family* How to adjust to married life, build a strong foundation, and survive your first year of marriage. - EVEN if you don't know where to start. Do you feel overwhelmed and completely unprepared for marriage? Are you worried about failing in your marriage, second-guessing your decision to even get married, or considering a divorce? Do you want to have the best marriage you possibly can, but not sure where to start? You are not alone. It is easy to feel like you are the only newlywed struggling with married life; the frustrations, sadness, hopelessness, silent treatment, name calling, anxiety, disagreements, anger, disappointments, coping with new behavior discoveries, wondering if this is what marriage is supposed to be like, etc. We know how you feel because we experienced these struggles after getting married too. We have also listened to great married couples share their first year of marriage struggles on our podcast, The First Year Marriage Show, and countless others. So, we understand the problems you are facing and want to help you have a better marriage. To be honest, the first year of marriage is the hardest year for most married couples. However, you can avoid the marriage problems newlyweds face every single day by reading this guide for newlyweds and engaged couples today. We strongly believe this book will change your marriage. Because the lessons come from our own first-hand experience and gleaned knowledge. We share our struggles and how we overcame adversity to build a strong foundation for the healthy, happy, and fulfilling marriage we have today. In this First Year of Marriage book, you will learn: 1. How to transform your mindset from I into We. 2. How to build a safe environment for your marriage, so you can express your feelings and opinions without feeling judged. 3. Our simple and proven communication strategies have helped many couples to communicate better. 4. Get a better idea of what is at the root of the issues troubling your marriage, and how to fix them. 5. The glue that holds your marriage together and what we did after one of us changed our faith. 6. How to be independent and interdependent without losing your identity. 7. How to connect and grow together as a couple. 8. Why it is important to create a vision for your marriage, and the four steps we used to create a vision our marriage. 9. Why your first year of marriage is critical to the success of your marriage. And much more. This is the book that we wished was out there when we first got married. If you are a

newlywed, just got engaged, looking to remarry or improve your marriage, this indispensable guide is for you. Filled with ideas you can apply immediately to your marriage. Marriage counselors, coaches, educators, pastors, and wedding officiants can also use this book for premarital counseling. You can have the satisfying marriage you both desire. Marriage does not have to be hard. Practice everything we share in this newlyweds guide with your spouse, and you will both be heading towards a happy, healthy, and fulfilling marriage. If you like reading books that are practical, easy to read, and straightforward. Books you can instantly apply what you learn to your life, then you will enjoy reading this guide for newlyweds. More importantly, read this book with your spouse, discuss the questions, and complete the workbook together. Then apply everything you learn to your marriage. You wouldn't build a million-dollar home on a weak foundation. Why would you consider the same for your marriage? Get your copy of this marriage book today. ----- Keywords related to this newlywed's book: Marriage books, books for newlyweds, newlyweds guide, newlyweds book, relationship books, marriage books, newlyweds marriage book, books for couples, marriage help books, relationship help books, books for couples, books for married couples, dating books, books for engaged couples, engaged couples, newlywed engaged couples, getting married books, premarital counseling books, before marriage books, *Of Land, Sea and Sky Trafford Publishing* The story of an unconventional man; tales of adventure, travel and inspirational meetings. From hazardous sports to bold business ventures, music, and dance - all life is here. *Deliver Me from Negative Self-Talk Expanded Edition A Guide to Speaking Faith-Filled Words Change Your Words, Change Your World! Admit it, you talk to yourself. Whether you speak the words out loud or think them in your mind, you are always talking to yourself... about yourself. The important question: what are you saying? Much of what we say is negative, hurtful and damaging, setting us up for failure. If you want to live the victorious, abundant life God has for you, start by changing what you say to yourself. This has the power to radically transform everything! In her relatable, down-to-earth style, Lynn Davis offers scriptural self care for the soul in need of encouragement. Learn how changing your self talk will help you: * Experience victory over fear, bad habits and addictions * Overcome negative emotions * Think God's thoughts about yourself by changing your meditation * Receive healing from sickness * Increase your self-esteem * Make declarations that strengthen your faith Get delivered from negative self talk today and begin speaking powerful, faith-filled words that unleash God's purpose, joy, and healing in your life! Shelters, Shacks and Shanties Library of Alexandria* Æ If my present reader happens to be a Boy Scout or a scout-master who wants the scouts to build a tower for exhibition purposes, he can do so by following the directions here given, but if there is real necessity for haste in the erection of this tower, of course we cannot build one as tall as we might where we have more time. With a small tower all the joints may be quickly lashed together with strong, heavy twine, rope, or even wire; and in the

wilderness it will probably be necessary to bind the joints with pliable roots, or cordage made of bark or withes; but as this is not a book on woodcraft we will suppose that the reader has secured the proper material for fastening the joints of the frame of this signal-tower and he must now shoulder his axe and go to the woods in order to secure the necessary timber. First let him cut eight straight poles—that is, as straight as he can find them. These poles should be about four and one half inches in diameter at their base and sixteen and one half feet long. After all the branches are trimmed off the poles, cut four more sticks each nine feet long and two and a half or three inches in diameter at the base; when these are trimmed into shape one will need twenty six or seven more stout sticks each four and one half feet long for braces and for flooring for the platform. Advanced Techniques in Day Trading A Practical Guide to High Probability Strategies and Methods This well-thought-out training regimen begins with an in-depth look at the necessary tools of the trade including your scanner, software and platform; and then moves to practical advice on subjects such as how to find the right stocks to trade, how to define support and resistance levels, and how to best manage your trades in the stress of the moment. An extensive review of proven trading strategies follows, all amply illustrated with real examples from recent trades. Risk management is addressed including tips on how to determine proper entry, profit targets and stop losses. Lastly, to bring it all together, there's a "behind the scenes" look at the author's thought process as he walks you through a number of trades. While aimed at the reader with some exposure to day trading, the novice trader will also find much useful information, easily explained, on the pages within. In this book, you'll learn...* How to start day trading as a business* How to day trade stocks, not gamble on them* How to choose a direct access broker, and required tools and platforms* How to plan important day trading strategies* How to execute each trading strategies in detail: entry, exit, stop loss* How to manage the trading plan The Gospels and Acts Book 2 Bible Study Guides and Copywork Book - (St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts) - Memorize the Bible: Bible Study Guides and Copywork Book - (St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts) - Memorize the Bible Examined Solutions Pte Limited The Gospels and Acts are composed of writings from St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts. The purpose of which is to give you the spiritual lens that will enable you to see clearly what you fail to see using your physical lens. As you read this collection, try to see the three spiritual themes to it. Get a copy today. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. **Hooey Alerts! Watch for Hooey Alerts!** where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) **Reviews** "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board

governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, *Board Member Orientation*, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA

***** The Simple Board Member Orientation Process Using This Book: 1. Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2. You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3. You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

The Pianolist A Guide for Pianola Players Good Press "The Pianolist" by Gustav Kobbé. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Stock Trading Ledger (Blue) Createspace Independent Publishing Platform This trading ledger was created by an active stock trader and allows the user to make detailed journal entries of all of their trading activities. Numerous psychological studies have determined that the best way for humans to learn is by writing things down with pen and paper, and then reviewing this information periodically. The author of this ledger holds a degree in psychology and used his knowledge of human learning to develop an intuitive ledger that allows traders to clarify their thoughts on paper and analyze all of their transactions. Even the cover has been designed with vivid colors and a retro pattern to evoke the limbic system of the brain and encourage organization of thought processes. This

workbook has been laid out in a manner to make effective use of goals, trading plans, and strategies by allowing the trader to keep a visual record of their progress. Created by best-selling author Ashbee A. Bakht, the trading ledger is printed on high quality paper and is published in a compact format making it easy to carry with you no matter where you choose to trade. The formatting of the workbook has been designed with special attention paid to allow for it to be flexible enough for all trading strategies (i.e. intraday/day/swing/long term, etc.).

Kids Travel Journal My Travel Diary for World Travel *CreateSpace* Kids Travel Journal: My Travel Diary for World Travel Is your family planning a vacation adventure? Getting in The Insider's Guide to Finding the Perfect Undergraduate Research Experience *Secrethandshake Press* Whether you're premed, pregrad, preprofessional, undecided, or headed for the job market after graduation, undergrad research can help you define your career path and prepare for it. But research opportunities are highly competitive so where do you start and how do you find the perfect position? Getting In brings together the essential information you need with a no-nonsense approach that will save you time and frustration. Co-written by academic insiders, Getting In is like having two mentors coach you through your search and keep you organized as you decide on which research positions to pursue, contact potential mentors, nail interviews, and ultimately choose a research experience. Getting In gives you the guidance you need including:

- * Creative search strategies
- * Mistakes to avoid during the search, application, and interview
- * How to approach a professor after lecture or during office hours
- * Email templates that get you noticed
- * Time-management strategies to maintain your academic/life balance
- * Tips to

determine if you should accept or decline a research position * How to use your research experience to build habits for success in the lab, in college, and in life Additional tips, tricks, and strategies for getting the most out your STEM undergrad research experience can be found at UndergradInTheLab.com at facebook.com/undergradinthelab and on Twitter at @youinthelab. D.G. Oppenheimer, Ph.D., is an associate professor of molecular and cellular biology at the University of Florida. P.H. Grey, B.A., is a molecular biology research scientist who started her research career as an undergraduate laboratory assistant. Together, they have over 46 years experience training, mentoring, and writing recommendation letters for undergrad researchers. They understand the challenges that students face when searching for a research experience and how to successfully navigate around them. Census Catalog and Guide Includes subject area sections that describe all pertinent census data products available, i.e. "Business--trade and services", "Geography", "Transportation," etc. *Betrayed Sphere* When a bedraggled stranger turned up on the doorstep of Jason Harper's comfortable New England home, it takes him some time to accept that it is his brother who had disappeared over thirty years before on a bombing mission over Vietnam. Why had he not come home earlier? Where had he been? Why had he not told his own family that he had survived? Before Roy can begin to explain what he has gone through they are interrupted by a pair of men who seem intent on removing them both - and Jason's wife and child. Within the space of half an hour Jason's well-regulated, ordinary life is destroyed and his loyalty to his lost brother forces him to take his family on the run as he battles with the fact that the American government had 'hidden' hundreds of MIAs. Now the two brothers have the knowledge to expose this outrage, but first they have to prevent the other survivors from being summarily executed, and a very professional organisation is determined that they will achieve neither aim. Visit his website at www.brendandubois.com *Excellence Lifestyle Guide & Workbook Createspace Independent Publishing Platform* You were created for a lifestyle of excellence...not a life of mediocrity And what's amazing is you're equipped with everything you need to make that lifestyle yours. My Mommy Is a Stock Trader *CreateSpace* My name is Susie. I have a little brother named Billie. This is our dog Warren and our cat's name is Vix. Our Mommy is a Stock Trader. Jennifer Pioli's delightful interactive activity book entitled My Mommy is a Stock Trader introduces children as young as five years old to the "colorful" world of investing! Kids will have plenty to do as they read, color, and write their way through this fun and educational book. Meet Susie. Her mother is a stock trader, and Susie would like to teach kids all about what exactly her mom does. Children will get the most out of these basic lessons in investing by interacting directly with the story. This happens through completing basic exercises, coloring pictures, and reading about the stock market in terms that are easy and simple to understand. My Mommy is a Stock Trader isn't your typical children's book! Through the storyline and various activities, kids will learn all sorts of new and exciting facts about the stock market. They will become familiar with what a stock chart is and how to read it, and will be able to identify up and down price movement. As the story of Susie and her stock trader mother continues, children can learn to identify the stock symbols of some of their favorite family friendly companies, as well as identify what types of products and services are made by companies that offer publicly traded stocks. This is only the beginning, however, as the fundamentals of investing are given in small digestible bites that make it easy for everyone to understand! Parents and children alike will find My Mommy is a Stock Trader a fun way to learn all the basics about a very real world topic. Those looking for an inventive way to incorporate learning into their child's playtime should look no further. With plenty of whimsical pictures and educational activities, this is so

much more than your average coloring book! Suitable for children ages five years and older, *My Mommy is a Stock Trader* aims to expose kids from an early age to the endless possibilities that investing in the stock market has to offer. Encouraging early education can lead to a lifelong interest in the money management field. *My Mommy is a Stock Trader* proves that it is never too young to introduce the beginnings of what can eventually become a richly rewarding career path. *Great Trainers Make It Happen* *Booksurge Publishing* **ATTENTION TRAINERS: It's Not About YOU - It's About the LEARNER!** What is the biggest mistake a trainer can make? Quite simply, it is focusing all of their efforts on themselves and not their students! Many inexperienced trainers fall into this trap, but it doesn't have to happen to you! This book provides easy-to-execute examples that, when utilized, will make any rookie trainer look like a seasoned pro in just one day! You will learn how to structure the classroom experience in such a positive way that I guarantee it will make a difference in your professional life and in the lives of your participants. The techniques outlined in this book will help you to become the Great Trainer you have always wanted to be - because although good trainers may know these methods, Great Trainers make it happen! Inside, you will discover how to: -Create an inviting physical and emotional learning environment for your students. An inviting learning environment leads to higher levels of participation, retention, and on-the-job application! -Be less of an instructor and more of a "Tour Guide." Utilizing tour guide techniques will make your class anything-but-ordinary, causing people to look forward to your next event! - Utilize Great Trainer techniques whether you're facilitating a 5-day course, a 60-minute training session, or a 15-minute presentation! -Apply the techniques that will help you go WACCO for your participants - without spending a dime! Get on the road to continuous training improvement and start reading! *Dating Backward: A Practical Guide to Dating and Finding Your Soul Mate* *CreateSpace* *Dating Backwards* is a fresh look at some old concepts along with some common sense ideas about dating. It is a path to discover the extraordinary person you are and who will best be your extraordinary partner in life. This book will help you identify the different types of love, introduce you to the concept of the Four Cornerstones of Relationships and show many of the mistakes people continually make as they search for and enter into relationships. The principles in this book are designed to help singles from 18 to 80 and beyond. The journey begins with determining what type of relationship you want and then you will be guided in developing your "Must Haves" list. This list is the discovery of characteristics which results in the best relationship for you. We help you uncover the "Deal Breakers" which guides you away from repeating the same mistakes over and over. You will learn to identify your personal Red Flags that are warnings signs which provide you protection and guidance in choosing a potential mate. You will find guidance to help you to determine and discover what qualities you have to offer to a potential mate and uncover any qualities you possess that may be "Deal Breakers" to others. We all carry baggage in

life and into a relationship. What is packed in your bag? Do you bring family issues? Do you bring issues from past relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These questions are covered and more. Extraordinary communication is extremely important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. This book is the culmination of many years of education (both formal and informal), observation, personal experience and prayer. God has blessed Rick and Penny by bringing them together to create this work. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years. It is our grandest hope that this book will help at least some of our readers make better dating (and life) decisions and start Dating Backward. You and Me Against the World The Creepers Saga *Createspace Independent Pub* The world is infected and humanity is reduced to creatures of vicious insanity. Doctor Thorn's rescue by a group of young survivors is just the beginning of their nightmarish journey to survive. In this apocalyptic landscape, humankind has one final hope that rests on the strength and determination of 10 young men and women. The Ultimate Guide to Trading ETFs How To Profit from the Hottest Sectors in the Hottest Markets All the Time *John Wiley & Sons* An essential guide to trading trends with ETFs At any given time, a particular country's market or a particular segment of the market-such as energy or technology-might be booming. The Ultimate Guide To Trading ETFs provides a time-tested strategy for using exchange-traded funds (ETFs) to profit from these trending markets and sectors. By monitoring the performance of ETFs, authors Don Dion and Carolyn Dion show how to capitalize on these fast-moving, ever-changing trends. He then discusses how to stay ahead of the curve by identifying markets and sectors that are gathering momentum and monitoring those markets for signs that the momentum is

losing steam. Dion also explains how you can build a balanced portfolio of ETFs and manage your allocations to profit from the shifting trends. Provides advice for both aggressive investors who are willing to utilize leveraged and short market ETFs, as well as more conservative investors who want to limit risk Highlights a wide variety of ETFs currently available to investors Shows how to profit from fast-developing trends across all markets and sectors The world of ETFs has created many options for individual investors, and *The Ultimate Guide To Trading ETFs* shows you how to make the most of those opportunities. *The Entrepreneur's Information Sourcebook: Charting the Path to Small Business Success, 2nd Edition Charting the Path to Small Business Success ABC-CLIO* For 21st-century entrepreneurs, this book provides the practical guidance they need to overcome the often intimidating challenges of starting, organizing, and running a new business effectively and efficiently. • 400 unique evaluative descriptions of print and electronic resources for initial start-up, creating a business plan, management, marketing, personnel and HR, and competitive analysis • Screenshots of important and useful web pages • A glossary of relevant terms and acronyms • An index provides access by author, title, subject, and webpage *Guide to C-TPAT (Customs-Trade Partnership Against Terrorism) World Trade Press* *The World Trade Press Guide to C-TPAT (Customs-Trade Partnership Against Terrorism) World Trade Press* **Day Trading and Swing Trading the Currency Market Technical and Fundamental Strategies to Profit from Market Moves** *John Wiley & Sons* Play the forex markets to win with this invaluable guide to strategy and analysis **Day Trading and Swing Trading the Currency Market** gives forex traders the strategies and skills they need to approach this highly competitive arena on an equal footing with major institutions.
