## The Return of the Great Brain

*Penguin This sixth book in the series is a great combination of The Adventures of Tom Sawyer and The Terrible Two series, and is perfect for fans of Roald Dahl. Tom Fitzgerald, better known as the Great Brain, is struggling to stay reformed now that his friends have threatened to shut him out if he pulls even one more swindle. But his younger brother J.D. knows Tom's reformation makes for a dull life, and is not altogether unhappy--or blameless--when his brother's money-loving heart stealthily returns to business as usual.*

## The Great Brain Does It Again

*Yearling Books In turn-of-the-century Mormon Utah, Tom's great brain comes up with eight more schemes, most of them concerned with earning money.*

## The Great Brain at the Academy

*Penguin This fourth book in the series is a great combination of The Adventures of Tom Sawyer and The Terrible Two series, and is perfect for fans of Roald Dahl. Everyone knew that Tom Fitzgerald, better known as the Great Brain, would get into trouble when he went off to boarding school at the strict Catholic Academy for Boys. But no one--including Tom--knew just how much! Whether he's running an illegal candy store or earning a reputation as the fastest potato peeler, Tom's great brain never faltersm while his money-making schemes rise to new heights!*

## The Great Brain

*Great Brain In a small town in turn-of-the-century Utah, a precocious ten-year-old boy hatches scheme after scheme to gain prestige and money. Reissue.*

## The Great Brain Reforms

*Penguin This fifth book in the series is a great combination of The Adventures of Tom Sawyer and The Terrible Two series, and is perfect for fans of Roald Dahl. It's summer vacation, and J. D. is determined to reform his older brother Tom, a.k.a. the Great Brain, from his money swindling ways for good.*

## The Great Brain Is Back

*Penguin This classic trickster is back again, and he's up to no good in his eighth and final book of the series. Great mix of The Adventures of Tom Sawyer and The Terrible Two series, and is perfect for fans of Roald Dahl. Tom D. Fitzgerald--better known as The Great Brain--has turned thirteen, and pretty Polly Reagan has put a spell on him. But when it comes to swindling his younger brother J. D., and all the other kids in Adenville, Tom hasn't changed a bit. The Great Brain is back one more time, and he's at the top of his form with his money-making schemes and getting into big trouble. As always, life is more exciting when this brain's around!*

## Me and My Little Brain

*Penguin This third book in the series is a great combination of The Adventures of Tom Sawyer and The Terrible Two series, and is perfect for fans of Roald Dahl. Tom a.k.a. the Great Brain, is off to boarding school. Now his little brother, J.D., is free to follow in Tom's ingenious, conniving, and profitable footsteps. All of J.D.'s attempts at turning a profit fail miserably, and he soon realizes that he just doesn't have that crafty Great Brain knack. But when his younger brother is kidnapped, J.D. finds that his little brain may not be so ordinary after all . . .*

## More Adventures of the Great Brain

*Penguin This second book in the series is a great combination of The Adventures of Tom Sawyer and The Terrible Two series, and is perfect for fans of Roald Dahl. Has Tom, a.k.a. the Great Brain, given up his con-artist ways for a bicycle? Not for long. Soon the Great Brain is back to his old tricks, swindling and trading, and even convincing the whole town there's a prehistoric monster on the loose. But when someone robs the bank, even the police are stumped. Can the Great Brain solve the crime and put the crooks behind bars?*

Talking Book Topics

The Urban Brain

Mental Health in the Vital City

*Princeton University Press Bridging the social and life sciences to unlock the mystery of how cities shape mental health and illness Most of the world's people now live in cities and millions have moved from the countryside to the rapidly growing megacities of the global south. How does the urban experience shape the mental lives of those living in and moving to cities today? Sociologists study cities as centers of personal progress and social innovation, but also exclusion, racism, and inequality. Psychiatrists try to explain the high rates of mental disorders among urban dwellers, especially*

migrants. But the split between the social and life sciences has hindered understanding of how urban experience is written into the bodies and brains of urbanites. In *The Urban Brain*, Nikolas Rose and Des Fitzgerald seek to revive the collaboration between sociology and psychiatry about these critical questions. Reexamining the relationship between the city and the brain, Rose and Fitzgerald explore the ways cities shape the mental health and illness of those who inhabit them. Drawing on the social and life sciences, *The Urban Brain* takes an ecosocial approach to the vital city, in which humans live and thrive but too often get sick and suffer. The result demonstrates what we can gain by a vitalist approach to the mental lives of those migrating to and living in cities, focusing on the ways that humans make, remake, and inhabit their urban lifeworlds.

### Me and Caleb

Echo Point Books & Media, LLC *Me and Caleb* is a lively and heartwarming story about two young brothers growing up in a small Missouri town on the edge of the Ozark Mountains. A beloved children's classic with plenty of adventure, lots of laughs, and some good, old-fashioned hijinks, *Me and Caleb* is a touching story of brotherly love and friendship that is not to be missed. Winner of the 1962 Charles W. Follett award for worthy contributions to children's literature, this high-quality re-issue is the perfect book to share with children. A wonderful, nostalgic journey into small-town American life in a bygone era, *Me and Caleb* is for anyone who likes to read a book just for fun.
