Craddock calls attention to the continuities between Jesus and his heritage in Judaism and the church after him. Like Luke, Craddock assumes the reader is not only a believer but also a leader in the community of faith. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry. Preaching Luke's Gospel A Narrative Approach *CSS Publishing Company* Preachers and Bible teachers will find this book helpful in guiding them to be biblical storytellers. Testimonies to the value of Dr. Richard Jensen's book have been numerous and include the following: Rather than preach about the biblical text one is encouraged and equipped to proclaim the biblical narrative. His book is refreshingly practical and biblical. It stimulates biblical preaching, preparation and proclamation. The preacher is moved from telling a story to telling the story. Pastor Paul Gunsten St. Philip Lutheran Church Roanoke, Virginia I really appreciate the direction each chapter opens for possible preaching emphasis. I thought the first few chapters might just be flukes ... but each succeeding one holds its own. Thanks! Pastor William Lawson Trinity Lutheran Church Green Bay, Wisconsin Through a process of "narrative analogy" Dr. Jensen shows how the stories in the appointed texts of the Revised Common Lectionary relate to the other stories in Luke/Acts. In so doing, he opens up new discoveries for preaching. Richard A. Jensen is well known for his 10 years of preaching for the national radio program Lutheran Vespers. He is currently Dean of the Program for Doctor of Ministry in Preaching sponsored by the Association of Chicago Theological Seminaries and also professor of Homiletics at the Lutheran School of Theology at Chicago. In addition to three years of teaching in Ethiopia, Jensen has served as professor at Dana College, Wartburg Theological Seminary, and Luther/Northwest Seminary. He has served as Producer/Host of two television series, and is the author of eight books and numerous published articles. Preaching Through Luke The Gospel as Catechism *Wipf and Stock Publishers* Luke wrote this Gospel so "that you [Theophilus] may have certainty concerning the things you have been taught [i.e., catechesis]" (1:4). It proceeds with a barrage of questions. The first comes from Zechariah: "How shall I know?" (1:18). This is a question of knowledge. The angel Gabriel answers that we shall know by the word of God (1:19). The second comes from Mary: "How will this be?" (1:34). This is a question of agency, of how the Son of God can become human. Gabriel answers that it will be by the power of God (1:35). The third comes from Elizabeth: "Why me?" (1:43). Why should the gospel of Jesus Christ come to her? Mary answers that it has to do with God's choice, election, mercy, and salvation (1:47-55). The fourth has to do with John: "What then will this child be?" (1:66). Zechariah answers that he will be a prophet (1:76-79). John is not the Christ, but he will go before the Christ. Thus begins the catechism according to Luke, a series of questions in order that we may have certainty concerning the things we have been taught. Ordinary Words, Extraordinary Deeds Preaching the Miracles of Jesus, Cycle C *CSS Publishing* The stories of Jesus' miracles can be challenging to modern sensibilities, conditioned as we are to believe that there must be a logical explanation for water being turned into wine or nets suddenly overflowing with fish. But John Wurster suggests that for contemporary preachers and their listeners, the most important question raised by these remarkable accounts is not "How did they happen?" but rather "What do they mean?" "Ordinary Words, Extraordinary Deeds" helps answer that question by exploring the theological significance of the nine miracle stories appearing in Cycle C of the Revised Common Lectionary. Each chapter includes the biblical text along with interpretive reflections that set the passage in its literary context and connect it to major themes of the gospel writer. There's also a section investigating a variety of preaching possibilities and offering brief thoughts about what these texts tell us about the sacraments, since (like the miracles) the sacraments make grace evident in ways we can touch and feel. Specifically geared for the busy pastor with limited time, this is an excellent volume packed with valuable idea starters and rich material for sermon development. But it's also stimulating reading for anyone who wants greater insight into these marvelous stories of God's power at work. Chapter titles include: - The Star (Matthew 2:1-12) - Wedding At Cana (John 2:1-11) - Jesus Transfigured (Luke 9:28-36) - The Lepers (Luke 17:11-19) ... and five more! John W. Wurster is a graduate of Trinity University in San Antonio, Texas (B.A. summa cum laude), Princeton Theological Seminary (M.Div.), and Austin Presbyterian Theological Seminary (D.Min). Currently the pastor of First Presbyterian Church in Findlay, Ohio, Wurster has previously served congregations in Texas, Ohio, New Jersey, and Pennsylvania. He is the author of "What If What They Say Is True?" (CSS), a collection of sermons on prophetic texts. The Propagation of the Gospel Important and Necessary. A Sermon [on Luke X. 2], Etc Preaching Through Luke Exegetical Sermons on Luke's Gospel Exegetical sermons verse by verse through the Gospel of Luke. Luke is different from the other synoptics in that it has eighteen unique parables and emphasis on women, prayer, the poor, the Word, and the Holy Spirit. Every sermon has dozens of cross-references and concludes with a series of ten questions to help remember the main points. Luke That You May Know the Truth Luke's carefully researched and orderly account of the life of Christ is one of the finest pieces of historical writing in all of ancient literature. Yet it also accomplishes its divinely appointed purpose: that people of every century "may know the truth." The breadth of Luke's Gospel-with entire sections that are recorded nowhere else in the New Testament-and its celebratory tone set it apart from the other Gospels. Taking readers from just prior to Jesus's birth to his ascension into Heaven, this spirited report communicates the joy and the glory of the earthly life and ministry of Jesus Christ. Additionally, Pastor Hughes's insightful commentary unveils Luke's approach and purpose in recording the life of Christ, adding compelling perspective to help you communicate and understand God's Word more effectively. Luke the historian-with his painstaking reporting-will make you certain about the truth of not only his Gospel, but also the gospel. Luke the theologian-with his careful recounting of Christ's mercy and compassion-will touch you with God's love and grace. And Luke the physician-with his heart for people, especially the less privileged-will help you to love others more deeply. Ultimately, those who study Luke's Gospel cannot stay the same. The Synoptic Gospels Set Free Preaching Without Anti-Judaism *Paulist Press* Presents the Gospels of Matthew, Mark, and Luke in an interpretative context that frees them from Anti-Judaism and Anti-Semitism Luke *Thomas Nelson* General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible. Following the introduction, which reveals the author's approach and salient background on the book, each chapter of the commentary provides the Scripture to be expounded. The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaisms with their everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Readers who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of each passage being expounded. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and

vitality. *Preaching Through the Year of Luke* Church Publishing, Inc. *New Testament History and Literature* Yale University Press In this engaging introduction to the New Testament, Professor Dale B. Martin presents a historical study of the origins of Christianity by analyzing the literature of the earliest Christian movements. Focusing mainly on the New Testament, he also considers nonbiblical Christian writings of the era. Martin begins by making a powerful case for the study of the New Testament. He next sets the Greco-Roman world in historical context and explains the place of Judaism within it. In the discussion of each New Testament book that follows, the author addresses theological themes, then emphasizes the significance of the writings as ancient literature and as sources for historical study. Throughout the volume, Martin introduces various early Christian groups and highlights the surprising variations among their versions of Christianity. *Insights on Luke* NavPress Join Chuck as he explores Dr. Luke's carefully researched and strikingly human account of the life of Jesus. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word. *A Strategy for Strengthening Discipleship Through Preaching Luke's Gospel* This dissertation project attempts to demonstrate the theory that a better sermon preparation plan will increase the hearer's retention of God's Word and strengthen a desire for discipleship, thus, bringing about the necessary changes in the church. Forty-five sermons on the Gospel of Luke were prepared and preached according to this method with the specific intention of developing them according to the elements of discipleship found in Luke. Exegetical, expositional, and homiletical statements were developed for each sermon. Then a pre-test and post-test of the Spiritual Journey Evaluation was given in order to measure any change in the congregation. The church did improve in the desire for discipleship but it was not significant enough to prove the validity of the sermon preparation method. This long-term sermon preparation method does enable the pastor to plan better and to preach better sermons. *The Preacher's Outline and Sermon Bible, NT, NIV Luke* What if you could study Luke with your favorite Bible scholars from across the ages? More importantly, it boldly proclaims the story and significance of Jesus, emphasizing his "gospel" as good news for the whole world. In this illuminating commentary, respected pastor R. Kent Hughes explores Luke's historical claims about the life of Christ and his overarching message, offering helpful insights into the biblical text and pastoral reflections on how it applies to everyday life. Written to help preachers and Bible teachers communicate God's Word more effectively, this commentary explores how the life, death, and resurrection of Jesus constitute the fulfillment of Old Testament prophecy and guarantee salvation to all who believe on his name. Part of the *Preaching the Word* series. *God's Glory in Salvation through Judgment A Biblical Theology* Crossway In Exodus 34 Moses asks to see God's glory, and God reveals himself as a God who is merciful and just. James Hamilton Jr. contends that from this passage comes a biblical theology that unites the meta-narrative of Scripture under one central theme: God's glory in salvation through judgment. Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites. God was glorified through both his judgment and mercy, accorded in salvation to Israel. The New Testament unfolds the ultimate display of God's glory in justice and mercy, as it was God's righteous judgment shown on the cross that brought us salvation. God's glory in salvation through judgment will be shown at the end of time, when Christ returns to judge his enemies and save all who have called on his name. Hamilton moves through the Bible book by book, showing that there is one theological center to the whole Bible. The volume's systematic method and scope make it a unique resource for pastors, professors, and students. *Luke A 12-Week Study* Crossway The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life-giving theology, revealing Jesus's identity as Israel's long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior. *Discipleship Training in Luke's Gospel* Wouldn't it be wonderful to be trained as a disciple by Jesus himself? To be one of that band of Twelve and then Seventy who followed him around Galilee and Judea. As they walked with Jesus, he molded them as disciples. *Disciple Lessons in Luke's Gospel* is a conscious attempt to put you and me in the place of those first disciples. It's a JesusWalk. Over 120 lessons, you'll look at each of Jesus' healing acts, each word, each confrontation, each parable, and ask the question: What should I as a disciple be learning from this? Written over a period of three years and experienced by over 5,000 students from 123 countries, *Disciple Lessons in Luke's Gospel* is being used by God to mold many in Christ's image. Now slightly revised and available in audio form and via e-mail, this series can help form you as a disciple. Preachers will be glad for the careful exegesis of each passage, footnoted research, and deep digging that results in present-day applications. Teachers will use the deep, probing questions at the end of each lesson. But the one who will benefit most is you, the earnest disciple, who wants to learn genuine discipleship at the feet of the Master. Sermons Preached in Manchester ...* 1st- series *A Meal with Jesus Discovering Grace, Community, and Mission around the Table* Crossway Meals have always been important across societies and cultures, a time for friends and families to come together. An important part of relationships, meals are vital to our social health. Author Tim Chester sums it up: "Food connects." Chester argues that meals are also deeply theological—an important part of Christian fellowship and mission. He observes that the book of Luke is full of stories of Jesus at meals. These accounts lay out biblical principles. Chester notes, "The meals of Jesus represent something bigger." Six chapters in *A Meal with Jesus* show how they enact grace, community, hope, mission, salvation, and promise. Moving from biblical times to the modern world, Chester applies biblical truth to challenge our contemporary understandings of hospitality. He urges sacrificial giving and loving around the table, helping readers consider how meals can be about serving others and sharing the grace of Christ. *Feasting on the Gospels--Luke, Volume 1 A Feasting on the Word Commentary* Presbyterian Publishing Corp "Feasting on the Gospels is a new series that follows up on the success of the *Feasting on the Word* series to provide another trusted preaching resource, this time on the most preached-on books in the Bible, the four Gospels." -- Inside cover *Expository Preaching Expository Sermons from the Gospel of Matthew, Mark, Luke, and John* Dr Andrew C S Koh The Bible is the word of God. Since every word of God is inspired, infallible, inerrant, pure, and true, every word deserves to be examined and understood. In this book, I have given clear and concise expositions on 30 New Testament passages involving the life, miracles, and teachings of Jesus. I have attempted to present a clear background to each passage with good outlines and insights for each sermon. Many of the sermons have an evangelistic or a devotional challenge. These sermons will be helpful to any pastors or preachers looking for ideas to develop a sermon and finding a good outline. The 30 chapters in this book cover many of the key accounts in the narratives of the Gospels. The exposition and interpretation is based on a grammatico-historical approach. The book does not merely scratch the surface of the texts, and yet it is not too academic. Every preacher, both clergy and lay, needs some kind of resources as references, and also as stimulations in the course of preparing materials for preaching and teaching. Hence, this book will be a blessing to both preachers and teachers. Christians from all levels of maturity from new believers to matured Christians will find these sermons encouraging, transformative, and life changing. 2 Timothy 3:16-17, "all scripture is given by the inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work." *New Testament Theology Magnifying God in Christ* Baker Academic This comprehensive survey of New Testament theology is arranged thematically and includes careful exegesis of key passages.
