Masquerade

*Before. Everything was so much better Before. I wasn't haunted by nightmares, my place at school was secure and my face was flawless. Now, I'm a freak and everything has changed. The worst part is that I can't remember the night I was sentenced to the shadows. The memory has been stolen from me and I just can't shake the feeling that someone, something is out there -watching. Just when I think I have my life handled, Sam, with his intimidating golden stare and shiver inducing voice, makes me realize that I don't know anything. He makes me see that my scars don't matter. That they never mattered. I can't help but fall for him, completely unknowing that he knows exactly how I got this way. Not knowing he was involved.** Heven has no idea how closely death stalks her. She has no idea what I have done to keep her alive. I fear the day she learns my secrets, finds out what I really am. But even then I cannot stop, I vow to make things right. Finally her hunter will be hunted, Heaven and Hell, faith and sin will battle, and we will be victorious. But first, Heven must learn to be what she never imagined. I know her strength is there - I feel it. If we are to overcome all odds, she must push past her flaws - her frailties - to become much more. Young Adult Fantasy*

Punk 57

Createspace Independent Publishing Platform *From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Houses, Secrets, and the Closet

Locating Masculinities from the Gothic Novel to Henry James

transcript Verlag »Houses, Secrets, and the Closet« investigates the literary production of masculinities and their relation to secrets and sexualities in 18th and 19th century fiction. It focusses on close readings of Gothic fiction, Sensation Novels, and tales by Horace Walpole, Ann Radcliffe, William Godwin, Mary Elizabeth Braddon, Wilkie Collins, and Henry James. The study approaches these texts through the lens of domestic space, gender, knowledge, and power. This approach serves to investigate the cultural roots of the 'closet' - the male homosexual secret - which reveals a more general notion of male secrecy in modern society. The study thus contributes to a better understanding of the cultural history of masculinities and sexualities.

World Christianity

Methodological Considerations

Theology and Mission in World "World Christianity publications proliferate but the issue of methodology has received little attention. *World Christianity: Methodological Considerations* addresses this lacuna and explores the methodological ramifications of the World Christianity turn. In twelve chapters scholars from various academic backgrounds (anthropology, religious studies, history, missiology, intercultural studies, theology, and patristics) as well as of multiple cultural and national belongings investigate methodological issues (e.g. methods, use of sources, choosing a unit of analysis, terminology, conceptual categories,) relevant to World Christianity debates. In a closing chapter the editors Frederiks and Nagy converge the findings and sketch the outlines of what they coin as a 'World Christianity approach', a multidisciplinary and multiple perspective approach to study Christianity/ies' plurality and diversity in past and present"--

The Leaving

Bloomsbury Publishing Eleven years ago, six five-year-olds went missing without a trace. After all this time, the people left behind have moved on, or tried to. Until today. Now five of those kids are back. They're sixteen, and they are ... fine. Scarlett comes home and finds a mother she barely recognises, and doesn't really know who she's supposed to be, either. But she remembers Lucas. Lucas remembers Scarlett, too, but they can't recall where they've been or what happened to them. Neither of them remember the sixth victim, Max. He doesn't come back and everyone wants answers. Addictive and unforgettable, *The Leaving* seethes with rich characters, tense storytelling and high stakes.

The Gunslinger's Guide to Avoiding Matrimony

Entangled: Amara At the ripe old age of twenty-eight, desperate-to-retire gunslinger Adam Brady has exactly two rules. And one of them is never, ever get married. So he'll be danged when his dreams of permanently avoiding the bounty hunter on his tail in Desolation, the only town where notorious men like him can find respite, comes with one helluva string attached. The town has a new rule: gunslingers welcome—if they get a job...or marry. Without realizing it, Adam stumbles into a big town wedding and accidentally marries Nora Schumacher, a sassy-mouthed mountain of a woman with legs as long as his wanted poster. So what's a gunslinger to do but get himself unhitched and find a job. Any job. Except Adam keeps getting fired, one odd circumstance after another. And he's running out of options. Desolation was supposed to be his safe haven. Except, he's not only running from his past but from the irresistible woman he married. And worse, he's finding that he rather likes the enticing, if damnably independent, wife of his. But some men just aren't the marrying kind. Only, if he leaves, his own life won't be worth living. If he stays, he puts the lives of his newfound family and the woman he loves on the line. So much for Desolation being the answer to all his problems. Each book in the Gunslinger series is STANDALONE: * Hitched To The Gunslinger * The Gunslinger's Guide to Avoiding Matrimony

Dear Specimen

Poems

Beacon Press A National Poetry Series winner, selected and with a foreword by Kwame Dawes. A 5-part series of interwoven poems from a dying parent to her daughter, examining the human capacity for grief, culpability, and love, asking: do we as a species deserve to survive? *Dear Specimen* opens with both its speaker and her planet in peril. In "Speak to Me," she puzzles over a millipede, as if the blue rune of its body could help her understand her impending death and the crisis her species has created. Throughout the collection, poems addressed to specimens echo the speaker's concern and amplify her wonderment. A catalog of our climate transgressions, *Dear Specimen's* final poem foretells a future in which climate refugees overrun one of our planet's last habitable places. The collection's lifeblood is a series of poems in which the speaker and her daughter express their concern for, and devotion to, one another. The daughter's questions mirror the ones her mother asks of specimens: what are we meant to do with so much hazard and wonder? When the speaker hints at the climate crisis in a bedtime story she tells her grandson, we, too, feel the peril he may face.

Juxtaposing a profound sense of intimacy with the vastness of geological time, the collection offers a climate-conscious critique of the human species—our search for meaning and intimacy, our capacity for greed and destruction. Dear Specimen is an extended love letter and dire warning, not only to the daughter its speaker leaves behind but to all of us.

Lawn Boy

Algonquin Books Winner of the Alex Award "Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America." --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

Return to Eden
Eden Book 3

Hachette UK *THE TRILOGY CONCLUDES...* In *West of Eden* and *Winter in Eden*, Harry Harrison, an acknowledged master of imaginative fiction, broke new ground with his most ambitious project to date. He brought to vivid life the world as it might have been, where dinosaurs survived, where their intelligent descendants, the Yilanè, challenged humans for mastery of the Earth, and where the human Kerrick, a young hunter of the Tanu tribe, grew among the dinosaurs and rose to become their most feared enemy. Now, in *Return to Eden*, Harrison brings the epic trilogy to a stunning conclusion. After Kerrick rescues his people from the warlike Yilanè, they must regroup and consider their future. They find a safe haven on an island and there begin to rebuild their shattered lives. But with fierce predators stalking the forests, how long can these unarmed human outcasts hope to survive? They need weapons, but they only effective weapons lie in the hands of the technologically superior Yilanè. The small band of humans has no choice but to confront their face head-on. And, of course, Kerrick cannot forget Vaintè, his implacable Yilantè enemy. She's been cast out from her kind, under sentence of death, but how long will her banishment last? For her strange attraction to Kerrick has turned into a hatred even more powerful than her inbred instincts - an obsession that compels her to hunt down Kerrick and kill him. In a world completely unlike her own, two great cultures struggling for mastery of the Earth face the same problem that faces us today: how to coexist on the same

planet completely unlike ourselves - or mutually perish.

Prosthetic Body Parts in Nineteenth-Century Literature and Culture

Palgrave Macmillan This open access book investigates imaginaries of artificial limbs, eyes, hair, and teeth in British and American literary and cultural sources from the nineteenth and early twentieth century. Prosthetic Body Parts in Nineteenth-Century Literature and Culture shows how depictions of prostheses complicated the contemporary bodily status quo, which increasingly demanded an appearance of physical wholeness. Revealing how representations of the prostheticized body were inflected significantly by factors such as social class, gender, and age, Prosthetic Body Parts in Nineteenth-Century Literature and Culture argues that nineteenth-century prosthesis narratives, though presented in a predominantly ableist and sometimes disablist manner, challenged the dominance of physical completeness as they questioned the logic of prostheticization or presented non-normative subjects in threateningly powerful ways. Considering texts by authors including Charles Dickens, Edgar Allan Poe, and Arthur Conan Doyle alongside various cultural, medical, and commercial materials, this book provides an important reappraisal of historical attitudes to not only prostheses but also concepts of physical normalcy and difference.

Homicide

A Forensic Psychology Casebook

CRC Press Forensic psychology plays an increasingly important role in criminal investigations and legal decision-making. Homicide: A Forensic Psychology Casebook guides readers through the practical aspects of homicide cases across the entire criminal justice system, from the investigative process to the criminal trial process, and beyond. Each chapter contains a description and analysis of

selected cases and offenders, and provides a crime narrative and offender narrative to illustrate the underlying theory and practical considerations of homicide investigations. Criminal justice students and practitioners alike will benefit from the comprehensive scope of this text. In order to ensure fair and efficient criminal justice practices in the field of forensic investigation, there is still a need for conformity and standardization of sound protocols and approaches based on improved knowledge and education. This book is part of that effort to understand homicidal behavior and offenders better in order to prevent similar crimes.

Not by Faith Alone

The Biblical Evidence for the Catholic Doctrine of Justification

Queenship Publishing Company *Catholic in response to Protestant attacks against the Catholic Church's teaching on faith and justification in more than 100 years! As never before, the Catholic Church has been called upon to be the defender of Scripture and preserver of truth in modern times. Not by Faith Alone will set the biblical and historical record straight. But more important, as you learn the real truth about salvation and all that it embraces, this book will offer you the means to come to one of the deepest relationships with God that you have ever experienced. Faith alone? Is it justifiable? Not biblically, and Robert Sungenis shows why. Imprimatur.*

My Life as a Racer

Hachette UK *Champion motorcyclist and truck racer, television presenter, practical joker or just plain survivor - Steve Parrish has been called them all. Parrish Times tracks his amazing journey over the last four decades, through a rollercoaster ride of emotions in surely the most dangerous and exhilarating sporting arena there is. In the 1970s Steve was competing for the world motorcycle championship with legendary team mate Barry Sheene on a Suzuki. After retiring in 1986, Steve managed a successful Yamaha factory team to three British Superbike Championship titles and started a truck-racing career, becoming the most successful truck racer ever. He also proved to be a natural commentator, first for BBC radio, then transferring to television with Sky, ITV and Eurosport. Against this backdrop are Steve's notorious pranks: posing as a medical doctor to allow John Hopkins to fly from Japan to the Australian GP; impersonating Barry Sheene in a qualifying session; owning a fire engine, a hearse, and an ambulance - parking it on double yellow lines with the doors open in visits to his local bank.*
