HUNG JURY

THE DIARY OF A MENENDEZ JUROR

More than two decades after serving as a juror on the high-profile seven-month murder trial People v. Erik Galen Menendez, Hazel Thornton updates her book Hung Jury with a new preface and a postscript essay of observations about the Menendez brothers' second trial. Don't miss NBC's "Law & Order True Crime: The Menendez Murders" about Erik and Lyle Menendez.

HUNG JURY

TESTIMONIES OF GENITAL SURGERY BY TRANSEXUAL MEN

This pioneering anthology released by Transgress Press is the first of its kind, presenting raw, unadulterated testimonies of transsexual men's experiences of sex reassignment surgery. The collection offers a comprehensive understanding of why transsexual men choose genital surgery and its transformative impact on their lives. Hung Jury has widespread appeal, catching the attention and interests of a wide and diverse readership looking to understand transsexuality, sex, and gender identity. Because the book breaks new ground in LGBT, Gender, and feminist studies moreover, it is also an excellent read for courses taught in these academic fields.

HUNG JURY

THE WINDS OF FREEDOM BLOW

Xlibris Corporation Hung Jury tells the story about Astraea, whose name was borrowed from the Greek goddess of Truth. It is Atraea's quest for truth, justice and unconditional love in a world full of land mines, manipulative individuals, growing concerns and dwindling hope. Pray for Help and change

HUNG JURY

POPPY HARMON AND THE HUNG JURY

Kensington Cozies For retiree-turned-PI Poppy Harmon, spending her golden years running the Desert Flowers Detective Agency is far from the glamorous life she once knew. But becoming ensnared in two twisted Palm Springs crimes might be her worst look yet . . . If Poppy didn't believe she was in too deep as the only female juror in a high-profile assault case involving an infamously hot-tempered crooner, she's sure of it upon meeting blast-from-her-past Rod Harper. A former TV co-star from her short-lived acting days, Rod is as dashing as ever, and now he wants to partner again—this time to locate his missing daughter . . . Returning a pampered songstress with a penchant for running away back home unscathed shouldn't be too challenging. But dodging Rod's charms while on the job is another story—and so is finding a dead body! When Poppy discovers a fellow juror face down in a swimming pool, she and the Desert Flowers Agency must outsmart a ruthless killer who will do anything to keep hideous secrets hidden away . . .

HUNG JURY

iUniverse The peace and quiet of a small community are shattered by the brutal rape and murder of two socialite women. Shock and fear soon turn to relief with the arrest of a recently released convict. Rand Stannard, the young lawyer assigned to try the case, falls in love with the pretty female detective who helps to solve the crime. In spite of himself, Stannard comes to believe in his client's innocence and stages a brilliant defense that results in a surprise, and bloody, ending.

THE HUNG JURY

THE FIRST IN A BRAND NEW MURDER MYSTERY SERIES Everyone on the jury is dying...Rebecca Winters is on trial for the murder of her husband, Simon. He was found stabbed to death in the bedroom of their home, and with the evidence mounted up around her, she is soon found guilty by a jury.But one member of that jury is confused by the outcome. Nicola Golding is a budding blogger, her focus being on murder and crime. She does not believe that Rebecca is a murderer, and she decides to investigate the possibility that Simon's killer could still be out there somewhere. With nobody there to help her, Nicola recruits a reluctant companion; new chef at the restaurant she works at, Alex Silverstone. But then, more deaths occur. Members of the jury that made the decision to send Rebecca down are found hanged in their homes, and Nicola soon finds herself in a race against time to find the killer before she becomes a victim herself...

THE HUNG JURY

In the mid-seventies Roderick Constance, much like many college freshmen out on their own in a world without parental constraints for the first time, late second semester was a time of disappointment and turmoil with the direction of how his life was headed. His academic and social failures were always someone else's fault, his trouble with the law a matter of a conspiracy of misunderstanding his right to do as he pleased without consequence. The primary difference between this 19-year-old's self-absorption and most others was that he carried out his savage revenge without regard to humanity and what was known in those days as common decency. He methodically murdered people who got in his way and those who were only pursuing their lives in an honest, purposeful way. In 2011 retired police officer Morgan Cooper reveals the recurring nightmare and lingering memories that haunted him for the last 35 years, surrounding a routine shoplifting misdemeanor case in which he had been the arresting officer. The mystery unfolds and details unravel in a terrifying look into the darkest recesses in the mind of a young man without a soul.

NO VERDICT

NEW ZEALAND'S HUNG JURY CRISIS

Random House Uk Limited This text provides a behind-the-scenes view of jury cases in New Zealand. The author looks closely at evidence presented at certain eminent trials that caused the specific juries problems. He talks to the people involved in the trials, and to lawyers about these cases and about the jury system.

HUNG JURY

Alec Slesser is a first time successful author that stumbled into his major bestseller on the Mafia. Will he join the list of one hit wonders? No longer a friend to the Mob, does he become their next big hit? As time is running out, he is experiencing a fate worst than death, writer's block. He's a witty, charismatic, well-intentioned but immature guy that still thinks life is one big toga party. Surrounded by outstanding ladies, his brilliant agent - Kate Summers and his lovely lady Shea Reynolds they have dragged him to success despite himself. The clocks about out on Cinder-fella until a celebrity movie star-martial artist and former Special Forces hero, Collin Daniels, is accused of the murder of his popular and beloved wife, actress Celina Daniels. The trial of the decade is coming and guess who has been asked to serve jury duty? Be the foreman? Alec faces the decision of a lifetime. Does he lose the love of his life - Shea? The path of Alec and the mysterious Collin cross in this spine tingler as jurors are found dead one by one. And now it's far more than just his writing career that lies in the balance. An adrenaline rush of ambition, intrigue, love and friendship. Hung Jury is Edward Norris at his best.

THE AMERICAN JURY SYSTEM

Yale University Press How are juries selected in the United States? What forces influence juries in making their decisions? Are some cases simply beyond the ability of juries to decide? How useful is the entire jury system? In this important and accessible book, a prominent expert on constitutional law examines these and other issues concerning the American jury system. Randolph N. Jonakait describes the historical and social pressures that have driven the development of the jury system; contrasts the American jury system to the legal process in other countries; reveals subtle changes in the popular view of juries; examines how the news media, movies, and books portray and even affect the system; and discusses the empirical data that show how juries actually operate and what influences their decisions. Jonakait endorses the jury system in both civil and criminal cases, spelling out the important social role juries play in legitimizing and affirming the American justice system.

JUSTICE STORY CUTS THE GORDIAN KNOT OF HUNG JURY INSTRUCTIONS

Abstract: Constitutional law grows more complex over time. The complexity is due, in large part, to the rule of stare decisis. When faced with precedents that it does not wish to follow, the Court usually distinguishes the case before it. Thus, the constitutional landscape is littered with cases that do not fit well together. Navigating past these shoals is often difficult for courts following the Supreme Court's lead. One example is the law governing instructions that a trial judge can give a deadlocked jury in a criminal case. The right to a jury trial entails the right to have the jury reach a verdict without pressure from the judge, but giving voice to that principle has resulted in a bewildering array of approved instructions. This article argues that the law of 1824, manifested in Justice Story's opinion in *United States v. Perez*, was superior to today's morass. In 1824, judges had virtually uncontrolled discretion to decide when to declare a hung jury. We argue for a return to 1824 with one twist: that judges give deadlocked juries the instruction: "Please continue to deliberate." This simple change will result in fewer hung juries and far fewer appeals about whether the instructions were too coercive.

INSIDE THE JURY

The Lawbook Exchange, Ltd. Hastie, Reid and Steven D. Penrod, Nancy Pennington. Inside the Jury. Cambridge: Harvard University Press, 1983. viii, 277 pp. Reprinted 2002 by The Lawbook Exchange, Ltd. An important statistical study of the dynamics of jury selection and deliberation that offers a realistic jury simulation model, a statistical analysis of the personal characteristics of jurors, and a general assessment of jury performance based on research findings conducted by reputed scholars in the behavioral sciences. "The book will stand as the third great product of social research into jury operations, ranking with Kalven and Zeisel's *The American Jury* and Van Dyke's *Jury Selection Procedures*." American Bar Association Journal.

A REVIEW OF HUNG JURY

THE DIARY OF A MENENDEZ JUROR

I have never met Hazel Thornton, although in the past few months, I have spoken to her on the phone a couple of times. We share the same last name, and apparently, the same great great grandfather. But until very recently, we were oblivious to each other's existence.

HUNG JURY

HUNG JURY

Publishamerica Incorporated Retired Denver Chief of Police Sean Mills retires to a southern New Mexico town in hopes of leaving his police career behind him. This is not to be. A horrific murder in his retirement community intrudes, but he is prevented from investigating by an incompetent sheriff. Humiliated after a second murder, he and his wife leave town to visit old friends. A third murder takes place in his absence. The Governor of New Mexico reaches him at the home of his friends and begs him to return and take over the investigation. He agrees and returns to his retirement home fearful the investigation has been so bungled it may be impossible to stop the murderer before he kills again. Assisted by a young policeman from the city, his first priority is to find a connection between the victims.

A LIFE AND DEATH DECISION

A JURY WEIGHS THE DEATH PENALTY

St. Martin's Press With a life in the balance, a jury convicts a man of murder and now has to decide whether he should be put to death. Twelve people now face a momentous choice. Bringing drama to life, *A Life and Death Decision* gives unique insight into how a jury deliberates. We feel the passions, anger, and despair as the jurors grapple with legal, moral, and personal dilemmas. The jurors' voices are compelling. From the idealist to the "holdout," the individual stories—of how and why they voted for life or death—drive the narrative. The reader is right there siding with one or another juror in this riveting read. From movies to novels to television, juries fascinate. Focusing on a single case, Sundby sheds light on broader issues, including the roles of race, class, and gender in the justice system. With death penalty cases consistently in the news, this is an important window on how real jurors deliberate about a pressing national issue.

WE, THE JURY**THE JURY SYSTEM AND THE IDEAL OF DEMOCRACY : WITH A NEW PREFACE**

Harvard University Press This magisterial book explores fascinating cases from American history to show how juries remain the heart of our system of criminal justice - and an essential element of our democracy. No other institution of government rivals the jury in placing power so directly in the hands of citizens. Jeffrey Abramson draws upon his own background as both a lawyer and a political theorist to capture the full democratic drama that is the jury. We, the Jury is a rare work of scholarship that brings the history of the jury alive and shows the origins of many of today's dilemmas surrounding juries and justice.

HUNG JURIES AND ABORTED TRIALS**AN ANALYSIS OF THEIR PREVALENCE, PREDICTORS AND EFFECTS****THE CASE OF GIOVANNI BASTIANINI- II****A HUNG JURY****THE HUNG JURY****A COURT-MARTIAL DILEMMA****BLUE'S GUIDE TO JURY SELECTION****WHAT DOES A JUROR DO?**

Enslow Publishing, LLC The Constitution of the United States lists many rights for citizens. A fair trial by jury is one of those rights. A jury is made up of people from the place where the crime happened. These jurors are picked from a pool of citizens. Jurors hear evidence and receive directions from the judge for the case. After hearing the case, jurors decide if a person is guilty or innocent. In some cases, jurors also decide the punishment. This book will explore what it means to be a juror through an inquiry-based approach aligned with C3 standards.

THE JURY PROCESS

This book gives a complete overview of America's jury system. It has three instructional goals: to show where the jury stands in America's rich legal history, to explain the defining features of today's jury, and to identify aspects of the jury where improvements can and should be made. It can be used as a primary textbook for a course, or as a supplement in any law school course that includes a unit on the jury.

Paul Dry Books "Part detective story, part social commentary, part intellectual autobiography, part philosophical analysis, this is a jury book unlike any other."—Anthony Kronman, Sterling Professor of Law and former Dean, Yale Law School "[Norma Thompson] teaches us, brilliantly and painlessly, why judging, as opposed to simply knowing, is an essential part of a responsible human existence, recounting the trials and crimes and moral dilemmas of antiquity and classical tradition in a stunningly original reading."—Abraham D. Sofaer, Senior Fellow, Hoover Institution, and former United States District Judge In 2001, Norma Thompson served on the jury in a murder trial in New Haven, Connecticut. In Unreasonable Doubt, Thompson dramatically depicts the jury's deliberations, which ended in a deadlock. As foreperson, she pondered the behavior of some of her fellow jurors that led to the trial's termination in a hung jury. Blending personal memoir, social analysis, and literary criticism, she addresses the evasion of judgment she witnessed during deliberations and relates that evasion to contemporary political, social, and legal affairs. She then assembles an imaginary jury of Tocqueville, Plato, and Jane Austen, among others, to show how the writings of these authors can help model responsible habits of deliberation.

HUNG JURIES AND MAJORITY VERDICTS

HUNG JURY

A white cop has shot and killed a black man. Not a drug dealer, a crook or any other kind of criminal. A high school teacher going home after a full day of teaching and then hours spent after school hours coaching the high school track team. It was happening too often across the country and the black community was outraged. To make matters worse the police officer was a female on her first night tour with a training officer. Because the police officer has little money a public defender is assigned the case and steps into this cauldron. A jury must be picked, an impartial group of twelve plus two alternates. A cross section of every day citizens to decide the fate of a young woman. The district attorney is charging her with manslaughter. The public defender is building her case around self-defense because the teacher had a gun.

JURY NULLIFICATION

THE EVOLUTION OF A DOCTRINE

Cato Institute The Founding Fathers guaranteed trial by jury three times in the Constitution—more than any other right—since juries can serve as the final check on government’s power to enforce unjust, immoral, or oppressive laws. But in America today, how independent c

THE JURY AND DEMOCRACY

HOW JURY DELIBERATION PROMOTES CIVIC ENGAGEMENT AND POLITICAL PARTICIPATION

OUP USA Serving on a jury is a powerful experience. The Jury and Democracy is a ground-breaking study that shows how the process of deliberating and reaching a verdict transforms the lives of ordinary citizens. People who serve on juries are more active in civic life and vote more, and the authors examine a number of reasons why this is so. In an era when involved Americans are searching for ways to inspire their fellow citizenry, this book offers a plausible and realistic path for turning passive spectators into active political participants.

RADICAL ENFRANCHISEMENT IN THE JURY ROOM AND PUBLIC LIFE

University of Chicago Press Juries have been at the center of some of the most emotionally charged moments of political life. At the same time, their capacity for legitimate decision making has been under scrutiny, because of events like the acquittal of George Zimmerman by a Florida jury for the shooting of Trayvon Martin and the decisions of several grand juries not to indict police officers for the killing of unarmed black men. Meanwhile, the overall use of juries has also declined in recent years, with most cases settled or resolved by plea bargain. With Radical Enfranchisement in the Jury Room and Public Life, Sonali Chakravarti offers a full-throated defense of juries as a democratic institution. She argues that juries provide an important site for democratic action by citizens and that their use should be revived. The jury, Chakravarti argues, could be a forward-looking institution that nurtures the best democratic instincts of citizens, but this requires a change in civic education regarding the skills that should be cultivated in jurors before and through the process of a trial. Being a juror, perhaps counterintuitively, can guide citizens in how to be thoughtful rule-breakers by changing their relationship to their own perceptions and biases and by making options for collective action salient, but they must be better prepared and instructed along the way.

JURY AND THE DEFENSE OF INSANITY

Routledge Thirty years after it was first published, the issues raised in The Jury and the Defense of Insanity remain pertinent. Rita James Simon examines how motivated and competent juries are, how well jurors understand and follow judges' instructions, their understanding of expert testimony, and the extent to which their own backgrounds and experiences influence their decisions. Simon provides a rare opportunity to observe how jurors go about the process of deliberating and reaching a verdict by following them into the jury room and recording their deliberations. This pathbreaking study of jury room behavior provides compelling evidence of the effectiveness of our trial by jury system. The Jury and the Defense of Insanity was the product of an experimental study conducted as part of the University of Chicago Jury Project. Over 1,000 jurors were chosen to participate, not as volunteers, but as part of their regular jury duty, in two experimental trials, one on a charge of housebreaking, the other of incest. In each the insanity de-fense was raised. Court judges instructed the jurors to consider the recorded trials they were about to hear with all the care and seriousness they would give to a real criminal prosecution, and the taped recordings of their deliberations make it clear that they did just that. These recordings, along with responses to detailed questionnaires, yielded significant data, equally applicable to civil as to criminal cases. We learn their reactions to their fellow jurors; personal evaluations of the quality and effectiveness of deliberations; the degree to which religion, sex, social status, education, and like factors affect participation in and influence on the course of the deliberation; and the recounting of and reliance upon personal experience in seeking to reach a verdict, among other in-sights furnished by this study. This is an exact record not a description or recollected account of the struggle of a jury to weigh evidence and achieve a just verdict. For lawyers whose job it is to win civil and criminal cases, for behavioral scientists who study male and female reactions in their cultural environment to the circumstances that confront them, and to all who are interested in how people behave and why, in a dramatic, socially significant situation, this is a fascinating and revealing book.
