## HARBINGERS

## A REPAIRMAN JACK NOVEL

Forge Books A hang-onto-your-hat-and-heart thriller of triumph and tragedy that barrels along at F. Paul Wilson's trademark breakneck pace, Harbingers It starts off so simply: Jack, still feeling down after the tragic events of Infernal, is hanging in Julio's when a regular named Timmy asks him for help. His teenage niece has been missing since this morning; the police say it's too early to worry, but Timmy knows something bad has happened. Jack says he'll put the word out on the street. This innocent request triggers a chain of seemingly coincidental events that lead Jack into the darkest days of his life. As has become evident in the series, Jack has been singled out, unwillingly, as the champion of one of the two supernatural forces contending for control of all human life on Earth. Neither of these forces are good or evil, just dangerous and amoral. They value and notice individual humans about as much as we do mosquitos. Jack is desperate . . . and the last thing you want to do is make Jack desperate. That's when things begin to blow up and people begin to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

## THE IDENTIFICATION OF BEHAVIORAL, GEOGRAPHIC AND TEMPORAL PATTERNS OF PREPARATORY CONDUCT

DIANE Publishing This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. ## GOODBYE UNICORNS

---

---

### BASED ON A TRUE STORY.

---

Createspace Independent Publishing Platform "Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, *Goodbye Unicorns* is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?

## KILLING LOVE

---

Simon and Schuster This powerful, unforgettable and uplifting story is one part wrenching family memoir, and one part inspirational journey towards healing and forgiveness - but most of all, it's an unputdownable journey through one family's tragedy and how they refused to let it define them. On the day of Rebecca Poulson's 33rd birthday, her father, niece and nephew were murdered. The murderer had been part of her family; her brother-in-law, Neung, the father of the children. Killing Love is Rebecca's journey through homicide; grief, the police investigations, the media interest, the court cases, the moments of great despair - and the healing. It is a story of individual tragedy and a family's strength, but it is also a story of a community's attitude to family violence. As a reluctant warrior for those who cannot speak for themselves, Rebecca talked to the NSW State Premier and politicians, on multiple TV shows and to print journalists in the hope that the mistakes made by the police force, DOCS, the legal system and solicitors will never be made again. Rebecca's contact with policy makers has been nothing short of history-making, and her story has directly influenced domestic violence laws in the state. Neung left a note for Rebecca's family; he hoped that he would destroy them. This is the story of how he didn't.

#### **THE SINFUL KING**

---

If you had any ties to Marbella, it was impossible for you not to have heard the stories about Prince Elias and his debauchery. Every summer he arrived with his security detail and friends in tow and rented out a row of cottages near the water. Cottages that belonged to my family. Each of those summers, my parents sent me away - summer camp and later, boarding school. Anything to keep me away from the royals and their partying. I hadn't been home in years, but when I finally come back for the summer, I see that not much has changed. Like all the summers I'd been gone, Prince Elias is back, but this time with an incognito security detail and no friends. This time, there is no partying, no noise, no crowds. No reason at all to even think he was there. I'm given strict orders not to talk to him, not to even look in his direction, but he makes this an impossible task. I may be doing everything in my power to stay away from him, but there is no one in the world who can say no to the future King of France.

#### **THINGS GOOD GIRLS DON'T DO**

---

Harper Collins Good girls don't steal. Good girls don't visit sex shops. Good girls don't have one-night stands. For Katie Conners, being a good girl just isn't worth it anymore. It used to mean getting the life she always wanted. But that was before she got dumped and her ex got engaged to his rebound. So, after a bad day and one too many mojitos, Katie starts making a list of things a girl like her would never do, not in a million years . . . As a tattoo artist with a monster motorcycle, Chase Trepasso isn't the kind of guy you bring home to mom and dad. And when he finds Katie's list in a bar, he's more than happy to help her check off a few items. Especially the ones on the naughtier side . . . Katie's more than tempted by Chase's offer, as long as they keep things uncomplicated. But as they spend more time together, she may just wind up breaking the most important rule of all: Good girls don't fall in love with bad boys.

#### **A GIFT FOR ETHEL**

---

This book is a perfect gift for any woman named Ethel. "Romeo and Ethel" is a modified version of William Shakespeare's "Romeo and Juliet". In this version, the main character is not Juliet, but Ethel. The book has a beautiful cover and font. There are 10 pictures inside the book. We also have versions with other names. "Two households, both alike in dignity, In fair Verona, where we lay our scene, From ancient grudge break to new mutiny, Where civil blood makes civil hands unclean. From forth the fatal loins of these two foes A pair of star-cross'd lovers take their life; Whose misadventur'd piteous overthrows Doth with their death bury their parents' strife. The fearful passage of their death-mark'd love, And the continuance of their parents' rage, Which, but their children's end, nought could remove, Is now the two hours' traffic of our stage; The which, if you with patient ears attend, What here shall miss, our toil shall strive to mend. This is a story about Romeo and Ethel."
