That is the question in this gripping paranormal romance that reviewers and readers describe as "amazing", "super great" and "impossible to put down." Darkness stalks seventeen-year-old Sam Harper. Ten years ago on Halloween night, grotesque creatures snatched her best friend Elliot and Sam narrowly escaped with her life. Now a decade on, the police investigation has ground to a halt and Elliot's whereabouts remains a mystery. Traumatized by her ordeal, Sam finds it hard to make friends. She is mistrustful of authority and changed schools more times than she cares to remember. To her, the world is cruel and unforgiving. Then she meets the enigmatic Lee Weaver. With his gorgeous face and magnetic presence, he turns heads wherever he goes. Sam has never wanted anyone as much as she wants Lee, but there are things about the alluring stranger that don't add up, leading Sam to ask unsettling questions about her past. Soon she discovers the boy of her dreams is keeping a terrible secret: one that threatens to destroy everything Sam holds dear . . . This is BOOK ONE of The Super Dark Trilogy. It is not a stand-alone novel. Praise for SUPER DARK "I can honestly say that this series now officially comes close to my new Harry Potter." Maria Zuppari, Reading Maria Book Blog "Tanith Morse has written a beautiful story about first love, betrayal, loss, friendship, and mystery. The world and mythology behind it is really well thought out, and a refreshing change. The characters are realistic and they really grow on you." Teenblurb "This is a really great story. I was catapulted into it from the very first sentence and as the story grew my impatience to find out what happened next grew as well." Marie Antoinette, Serial Killer *Scholastic UK* Colette is thrilled in Paris for the first time. But a series of gruesome murders are taking place around the city. The murder victims are all descendants of people who brought about Marie Antoinette's beheading. The queen's ghost has been awakened, and now she's wreaking her bloodthirsty revenge. And Colette may just be one of those descendants... Black Girl,/White Girl A Novel *Harper Collins* Fifteen years ago, in 1975, Genna Hewett-Meade's college roommate died a mysterious, violent, terrible death. Minette Swift had been a fiercely individualistic scholarship student, an assertive—even prickly—personality, and one of the few black girls at an exclusive women's liberal arts college near Philadelphia. By contrast, Genna was a quiet, self-effacing teenager from a privileged upper-class home, self-consciously struggling to make amends for her own elite upbringing. When, partway through their freshman year, Minette suddenly fell victim to an increasing torrent of racist harassment and vicious slurs—from within the apparent safety of their tolerant, "enlightened" campus—Genna felt it her duty to protect her roommate at all costs. Now, as Genna reconstructs the months, weeks, and hours leading up to Minette's tragic death, she is also forced to confront her own identity within the social framework of that time. Her father was a prominent civil defense lawyer whose radical politics—including defending anti-war terrorists wanted by the FBI—would deeply affect his daughter's outlook on life, and later challenge her deepest beliefs about social obligation in a morally gray world. Black Girl / White Girl is a searing double portrait of "black" and "white," of race and civil rights in post-Vietnam America, captured by one of the most important literary voices of our time. AB Bookman's Weekly For the Specialist Book World Books in Print The Curse of Camp Cold Lake *Paw Prints* Unable to make friends with her hostile bunkmates, Sarah decides to stage an accident to make everyone feel sorry for her, but the plan goes awry when a dangerous ghost named Della decides to keep Sarah for an eternal friend. Cyborg Cinema and Contemporary Subjectivity *Springer* This book breaks new ground in providing an in-depth critical assessment of cyborg cinema, arguing that it remains one of the most intriguing and provocative cycles to have emerged in contemporary screen culture. Tracing the cinematic cyborg's transition over the last two decades and evaluating the theoretical significance attributed to this figure, it asks what relevance the cyborg continues to have in terms of understanding human identity, our relationship to technology, and to one another. The Mist in the Mirror *Random House* For the last twenty years Sir James Monmouth has been a gentleman adventurer, journeying all over the globe in the footsteps of his hero, the great pioneering traveller Conrad Vane. One rainy winter night, Sir James returns to London. Orphaned at five, it is now time to find out more about his family and origins, and also to learn about the early years of Conrad Vane. But at every turn James is warned off his investigation into Conrad Vane. Do these warnings explain his flashes of intense fear and feelings of being watched? And what of the boy who has started haunting his every step and the mysterious mirror with its inexplicable reflections? Eventually, Sir James's quest leads him to the old lady of Kittiscar Hall, and deep into a past that binds him to his hero in ways he never could have imagined. Codominium Revolt on War World The Haveners were not totally overwhelmed at the first onrush of Sauron power because they had had centuries of warfare among themselves. This is the terrible history of Haven before the coming of the Saurons. Introduction to Japanese Horror Film *Edinburgh University Press* This book is a major historical and cultural overview of an increasingly popular genre. Starting with the cultural phenomenon of Godzilla, it explores the evolution of Japanese horror from the 1950s through to contemporary classics of Japanese horror cinema such as Ringu and Ju-On: The Grudge. Divided thematically, the book explores key motifs such as the vengeful virgin, the demonic child, the doomed lovers and the supernatural serial killer, situating them within traditional Japanese mythology and folk-tales. The book also considers the aesthetics of the Japanese horror film, and the mechanisms through which horror is expressed at a visceral level through the use of setting, lighting, music and mise-en-scene. It concludes by considering the impact of Japanese horror on contemporary American cinema by examining the remakes of Ringu, Dark Water and Ju-On: The Grudge.The emphasis is on accessibility, and whilst the book is primarily marketed towards film and media students, it will also be of interest to anyone interested in Japanese horror film, cultural mythology and folk-tales, cinematic aesthetics and film theory. The Fantasy Literature of England *Wipf and Stock Publishers* In this, the first book on English fantasy, Colin Manlove shows that for all its immense diversity, English fantasy can best be understood in terms of its strong national character, rather than as an international genre. Showing its development from Beowulf to Blake, the author describes English fantasy's modern growth through secondary world, metaphysical, emotive, comic, subversive, and children's fantasy. In them all England has led the world, with authors as different as Chaucer, Lewis Carroll, J. R. R. Tolkien, and Salman Rushdie. Warning Miracle *Lulu.com* Egyptian Belief and Modern Thought War of Kings *Marvel Enterprises* In the aftermath of the Secret Invasion, Black Bolt has led the Inhumans

on a shockingly savage path to restore their strength and security. But that path has brought them into direct confrontation with the Shi'Ar Empire - and their mad ruler Vulcan! Who will get in the first strike? Who will fall on the bloody battlefield? Who will rule? The Imperial Guard, the Starjammers, the Inhuman Royal Family, and more of your favorite sci-fi characters are locked on a collision course. The Legacy of Heorot *Baen Books* BOOK ONE IN THE CLASSIC HEOROT SERIES FROM GENRE LEGENDS LARRY NIVEN, JERRY POURNELLE, AND STEVEN BARNES The two hundred colonists on board the Geographic have spent a century in cold sleep to arrive here: Avalon, a lush, verdant planet lightyears from Earth. They hope to establish a permanent colony, and Avalon seems the perfect place. And so they set about planting and building. But their very presence has upset the ecology of Avalon. Soon an implacable predator stalks them, picking them off one by one. In order to defeat this alien enemy, they must reevaluate everything they think they know about Avalon, and uncover the planet's dark secrets. But this is no natural event - something has risen from the lake itself to attack them. Kent, 1816 Michael Crawford's wife is brutally murdered on their wedding night as he sleeps peacefully beside her - and a vengeful ghost claims Crawford as her own husband. Crawford's quest to escape his supernatural wife will force him to travel the Continent in the company of the most creative, most doomed poets of his age. Byron, Keats and Shelley all have a part to play in his fate, and the fate of Europe. The Cherryh Odyssey *Wildside Press LLC* The Cherryh Odyssey brings together a dozen essays about respected science fiction and fantasy author C. J. Cherryh. Fellow author and academic Edward Carmien has gathered top voices in the field to discuss the literary life and career of Cherryh, including Burton Raffel, Jane Fancher, Janice Bogstad, Betsy Wollheim, and many others. A substantial bibliography rounds out this collection. The Cherryh Odyssey is a text fans of the author will find invaluable, as will writers new to the field, as it presents a readable yet in-depth examination of many issues relevant to this award-winning author's literary life and career. Scholars will find this blend of academic and professional voices a compelling resource for further research. Liberation The Unofficial and Unauthorised Guide to Blake's 7 *Much-in-Little* From its first appearance in 1978 to its final episode in 1981, 'Blake's 7' was a series which pushed back the boundaries of what was possible in TV science fiction. Despite the attempts made by critics over the years to deride it for its low-budget special effects, sometimes-dubious costume design and overly middle-class casting, 'Blake's 7' continues to remain popular and to gain new audiences, due to its intelligent treatment of powerful themes of human evil, rebellion, love and death. In this book, Alan Stevens and Fiona Moore go beyond the stereotypes and look at the background to and the writing of the stories. Including technical details, overviews of the production of the series and in-depth analyses of every episode, this book is the ideal companion for anyone interested in the development of TV science fiction during the late seventies. '... a wealth of detail about the early development of the series.' From the foreword by series producer David Maloney The Left Hand Of Darkness *Hachette UK* Winter is an Earth-like planet with two major differences: conditions are semi arctic even at the warmest time of the year, and the inhabitants are all of the same sex. Tucked away in a remote corner of the universe, they have no knowledge of space travel or of life beyond their own world. And when a strange envoy from space brings news of a vast coalition of planets which they are invited to join, he is met with fear, mistrust and disbelief . . . 'The Left Hand of Darkness' is a groundbreaking work of feminist science fiction, an imaginative masterpiece which poses challenging questions about sexuality, sexism and the organisation of society. Spirit of the Titanic *The O'Brien Press* Fifteen-year-old Samuel Scott died while building the Titanic. As the ship sails to her doom, his ghost moves restlessly alongside the passengers and crew: Frederick Fleet: the young look-out who spotted the iceberg and who survived in a life-boat with (the unsinkable) Molly Brown; Howard Hartley Wallace: the heroic band-leader who played ragtime music as the freezing waters lapped at his feet; Harold Bride: the junior radio operator whose messages echoed on, long after the ship had disappeared to its icy grave ... The Face in the Frost *Open Road Media* A fantasy classic by the author of The House with a Clock in Its Walls—basis for the Jack Black movie—and “a writer who knows what wizardry is all about” (Ursula K. Le Guin). A richly imaginative story of wizards stymied by a power beyond their control, A Face in the Frost combines the thrills of a horror novel with the inventiveness of fairy tale-inspired fantasy. Prospero, a tall, skinny misfit of a wizard, lives in the South Kingdom—a patchwork of feuding duchies and small manors, all loosely loyal to one figurehead king. Along with his necromancer friend Roger Bacon, who has been on a quest to find a mysterious book, Prospero must flee his home to escape ominous pursuers. Thus begins an adventure that will lead him to a grove where his old rival, Melichus, is falsely rumored to be buried and to a less-than-hospitable inn in the town of Five Dials—and ultimately into a dangerous battle with origins in a magical glass paperweight. Lin Carter called The Face in the Frost one of “the best fantasy novels to appear since The Lord of the Rings . . . Absolutely first class.” With a unique blend of humor and darkness, it remains one of the most beloved tales by the Edgar Award-nominated author also known for the long-running Lewis Barnavelt series. House of Small Shadows *Pan Macmillan* House of Small Shadows is the disturbing novel about a modern phobia - the fear of dolls and puppets - from award-winning horror author Adam Nevill. The Red House: home to the damaged genius of the late M. H. Mason, master taxidermist and puppeteer, where he lived and created some of his most disturbing works. The building and its treasure trove of antiques is long forgotten, but the time has come for his creations to rise from the darkness. Catherine Howard can't believe her luck when she's invited to value the contents of the house. When she first sees the elaborate displays of posed, costumed and preserved animals and macabre puppets, she's both thrilled and terrified. It's an opportunity to die for. But the Red House has secrets, secrets as dreadful and dark as those from Catherine's own past. At night the building comes alive with noises and movements: footsteps, and the fleeting glimpses of small shadows on the stairs. And soon the barriers between reality, sanity and nightmare begin to collapse . . . 'Adam Nevill is a fantastic storyteller, a master of slow-building tension, and he's written a fever dream of a book. House of Small Shadows is chilling, disorienting, and deeply creepy.' - Scott Smith, author of The Ruins Dentists *Pebble* Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job. The Female Man *Hachette UK* A landmark book in the fields of science fiction and feminism. Four women living in parallel worlds, each with a different gender landscape. When they begin to travel to each other's worlds each woman's preconceptions on gender and what it means to be a woman are challenged. Acclaimed as one of the essential works of science fiction and an influence on William Gibson, THE FEMALE MAN takes a look at gender roles in society and remains a work of great power. But when the fighting becomes bitter, Gaunt is finally reunited with his men as the Imperial forces make one last attempt to hold the line against the invaders. Shadow Lane's the Art of Spanking Volume One Pictorial Erotica for the Spanking Connoisseur *CCB Publishing* Shadow Lane presents an exquisite photo album depicting the art of spanking in the 21st century. A spanking video production company and publishing house since the late 1980's, Shadow Lane is headed by Eve Howard, a former spanking model, editor of both "Spank Hard" and "Stand Corrected" magazines and author of the Shadow Lane novel series. Shadow Lane has always identified with the "romance of discipline" and this has long rendered its products of particular interest to female spanking enthusiasts chary of the harsher profile of contemporary BDSM. The photography in this soft cover book is wholly devoted to spanking perfection, ranging from the classically traditional to the evocatively fetishistic, with the emphasis on fully clad good looking man spanking enchanting bare bottomed girl, in the most popular American spanking position, over the knee. Departments include: the world's

most bewitching female spanking submissives, counter posed with their handsomest tops, a gallery of never before published Brian Tarsis spanking illustrations, girls spanked in uniform, cheeky views from the rear, nude spanking, clinical spanking, double spankings and women who spank women. "Shadow Lane's The Art of Spanking Volume One" is a 64-page, all color portfolio of genuine corporal punishment erotica for the discriminating viewer of the whole spanking picture, including those meaningful expressions that say so much about the general attitude of a scene. This is not a book of disembodied bottoms, but of human beings with personality and heart, interacting in a fabulous action fetish that includes an entire sub-culture of its own. Many spanking people who discover Shadow Lane for the first time feel as though they've come home to friends. These charming images, along with Eve's explanatory notes, which put the scenarios into a cultural perspective, will speak to the spanking enthusiast who knows deep down that there is absolutely no reason not to feel good about being into spanking in the 21st century. About the Author: Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 155 spanking videos and hosted over thirty gala balls for enthusiasts. Many spanking fans have discovered the real life spanking scene by following the same patterns of social networking as described in the Shadow Lane novels and the Shadow Lane personal ads network has been one of the primary social organs of the real life spanking scene for the past twenty years. There are ten titles in the Shadow Lane novel series so far and Eve is currently working on Volume Two of "Shadow Lane's The Art of Spanking." She lives with her husband Tony Elka and their cats in Las Vegas.
