---

---

#### **THE ART LOVER'S GUIDE TO UNDERSTANDING SYMBOLS IN HIS PAINTINGS**

---

*Rizzoli International Publications How is it possible that an artist who lived over four centuries ago is still seen today as an icon of modernity? The answer must be sought in his works; this is where we will grasp Caravaggio's aesthetic pursuit. His is a*

*simple, non ideal, art. He observed without prejudice, hewing close to the truth of things. And in just under twenty years he transformed painting, instilling in it a strong penchant for realism and showing the way to a very innovative use of light. In short, his was a revolutionary art, one which continues to fascinate laypeople and experts alike to this day. The curators of the exhibition, which will take place in Rome in the spring of 2010, asked some of the world's preeminent Caravaggio scholars to share their feeling and insights about their favorite works by the artist. The result is an original catalogue of great rigor yet expressed in deeply human and richly subjective tones. The works are from museums all over the world and include Saint John the Baptist from the Nelson-Atkins Museum of Art, Kansas City; and the Musicians from the New York Metropolitan Museum of Art.*

## **AN ART-LOVER'S GUIDE TO THE EXPOSITION**

---

### **EXPLANATIONS OF THE ARCHITECTURE, SCULPTURE AND MURAL PAINTINGS, WITH A GUIDE FOR STUDY IN THE ART GALLERY (CLASSIC REPRINT)**

---

*Forgotten Books Excerpt from An Art-Lover's Guide to the Exposition: Explanations of the Architecture, Sculpture and Mural Paintings, With a Guide for Study in the Art Gallery The architecture of the central group of palaces and courts is a notable departure from that of most of the expositions of the past. There are none of the overdecorated facades, none of the bizarre experiments in radical styles, and little of the riot of extraneous ornament, that have been characteristic of typical exposition architecture. The whole spirit here is one of seriousness, of dignity, of permanency. The effects are obtained by the use of long unbroken lines, blank wall spaces, perfect proportioning, and a restrained hand in decoration. Color alone is relied upon to add the spirit of gayety without which the architecture might be too somber for its joyous purpose. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.*

This book is a reproduction of that original, typed out and formatted to perfection, allowing new generations to enjoy the work. Publishers of the Valley's mission is to bring long out of print manuscripts back to life.*

---

## **REMBRANDT: THE PAINTER THINKING**

---

*Univ of California Press Throughout his life, Rembrandt van Rijn (1606-1669) was considered an exceptional artist by contemporary art lovers. In this highly original book, Ernst van de Wetering investigates why Rembrandt, from a very early age, was praised by high-placed connoisseurs like Constantijn Huygens. It turns out that Rembrandt, from his first endeavours in painting on, had embarked on a journey past all the 'foundations of the art of painting' which were considered essential in the seventeenth century. In his systematic exploration of these foundations, Rembrandt achieved mastery in all of them, thus becoming the 'pittore famoso' that count Cosimo the Medici visited at the end of his life. Rembrandt never stopped searching for ever better solutions to the pictorial problems he saw himself confronted with; this sometimes led to radical decisions and alterations in his way of working, which cannot simply be explained by attributing them to a 'change in style' or a 'natural development'. In a quest as rigorous and novel as Rembrandt's, Van de Wetering shows us how Rembrandt dealt with the foundations of his art and used them to try and become the best painter the world had ever seen. His book sheds new light both on Rembrandt's exceptional accomplishments and on the practice of painting in the Dutch Golden Age at large.*

---

## **FOR THE LOVE OF SPIRIT**

---

---

### **A MEDIUM MEMOIR**

---

*Balboa Press For the Love of Spirit was created to inspire, uplift, and entertain. This is a true story of an average girl, Liz, who became a psychic medium and went on to inspire many. Based in Australia, the story tells of synchronistic events from the 1960s to the present time, from the author's first psychic experience at the age of four to learning and later teaching psychic development, giving private readings and public demonstrations. For the Love of Spirit includes not only memoir but offers insights and wisdom to further one's knowledge about spirit communication, spiritual protection, angels, and spirit guides. Liz struggles with love, with parenting and basic survival, and yet all along has the support of Spirit and her personal spirit guide, White Owl. An enchanting memoir, creatively woven with insight and wisdom.*

## **IN SEARCH OF A MASTERPIECE**

---

---

### **AN ART LOVER'S GUIDE TO GREAT BRITAIN AND IRELAND**

---

*If you find yourself in Hull, Cork or Dundee, what paintings should you go and look at? Many masterpieces are waiting for you around the British Isles, sometimes neglected, in our galleries and museums. Here, broadcaster, critic and President of the National Association of Decorative & Fine Arts Societies (NADFAS), Christopher Lloyd, identifies over 265 masterpieces in England, Scotland, Ireland and Wales from the National Gallery to The Burrell Collection in Glasgow some acknowledged greats, others surprising, quirky and richly rewarding. All the paintings are the personal selection of Lloyd who has come across and enjoyed or admired them in public collections during the course of his career. His purpose throughout is to encourage others to visit the same places and experience the same pleasures. For tourists, this book offers a treasure trail; for the art lover, a vade mecum and companion in all an expert guide to the highlights of British collections our countrys galleries have found their Pevsner!*

---

## **JEWEL CITY**

---

---

### **ART FROM SAN FRANCISCO'S PANAMA-PACIFIC INTERNATIONAL EXPOSITION**

---

*Univ of California Press Timed with the centennial of the Panama-Pacific International Exposition (PPIE) of 1915, Jewel City presents a large and representative selection of artworks from the fair, emphasizing the variety of paintings, sculptures, photographs, and prints that greeted attendees. It is unique in its focus on the works of art that were scattered among the venues of the exposition—the most comprehensive art exhibition ever shown on the West Coast. Notably, the PPIE included the first American presentations of Italian Futurism, Austrian Expressionism, and Hungarian avant-garde painting, and there were also major displays of paintings by prominent Americans, especially those working in the Impressionist style. This lavishly illustrated catalogue features works by masters such as Winslow Homer, John Singer Sargent, Claude Monet, Paul Cézanne, Robert Henri, Edward Weston, Imogen Cunningham, Edvard Munch, Oskar Kokoschka, Umberto Boccioni, and many more. The volume also explores the PPIE's distinctive murals program, developments in the art of printmaking, and the legacy of the French Pavilion, which hosted an abundance of works by Auguste Rodin and inspired the founding and architecture of the Legion of Honor museum in San Francisco. A rich and fascinating study of a critical moment in American and European art history, Jewel City is indispensable for understanding both the United States' and California's role in the reception of modernism as well as the region's historical place on the international art stage. Published in association with the Fine Arts Museums of San Francisco. Exhibition dates: de Young Museum, San Francisco: October 17, 2015–January 10, 2016*

## THE DIAMOND PAINTING GUIDE AND LOGBOOK

---

*Rocky Nook, Inc.* **The ultimate guide to the hottest new crafting trend!** Colorful, creative, and totally addictive, diamond painting has taken the crafting world by storm. Now, with *The Diamond Painting Guide and Logbook* readers can get expert advice and inspiration on how to take their artwork to the next level.

Inspired by cross stitch and paint-by-number, diamond painting involves carefully placing colorful jeweled "diamond" resin pieces on a canvas to create gorgeous works of art. This book is the first ever guide to the best practices for making flawless, stunning paintings, including:

- Best tools and uses
- Easy tips, tricks, and techniques
- Designing customized paintings
- Finishing, framing, and displaying artwork
- Maximizing therapeutic benefits
- Logging pages for tracking favorite projects

And much, much more! Whether you're a beginner interested in learning a fun new skill, or an experienced diamond painter ready to take your work to the next level, this book will give you everything you need to create show-stopping paintings.

---

## AFTER THE BEAUTIFUL

---

---

### HEGEL AND THE PHILOSOPHY OF PICTORIAL MODERNISM

---

*University of Chicago Press* In his Berlin lectures on fine art, Hegel argued that art involves a unique form of aesthetic intelligibility—the expression of a distinct collective self-understanding that develops through historical time. Hegel's approach to art has been influential in a number of different contexts, but in a twist of historical irony Hegel would die just before the most radical artistic revolution in history: modernism. In *After the Beautiful*, Robert B. Pippin, looking at modernist paintings by artists such as Édouard Manet and Paul Cézanne through Hegel's lens, does what Hegel never had the chance to do. While Hegel could never engage modernist painting, he did have an understanding of modernity, and in it, art—he famously asserted—was "a thing of the past," no longer an important vehicle of self-understanding and no longer an indispensable expression of human meaning. Pippin

offers a sophisticated exploration of Hegel's position and its implications. He also shows that had Hegel known how the social institutions of his day would ultimately fail to achieve his own version of genuine equality, a mutuality of recognition, he would have had to explore a different, new role for art in modernity. After laying this groundwork, Pippin goes on to illuminate the dimensions of Hegel's aesthetic approach in the path-breaking works of Manet, the "grandfather of modernism," drawing on art historians T. J. Clark and Michael Fried to do so. He concludes with a look at Cézanne, the "father of modernism," this time as his works illuminate the relationship between Hegel and the philosopher who would challenge Hegel's account of both modernity and art—Martin Heidegger. Elegantly inter-weaving philosophy and art history, *After the Beautiful* is a stunning reassessment of the modernist project. It gets at the core of the significance of modernism itself and what it means in general for art to have a history. Ultimately, it is a testament, via Hegel, to the distinctive philosophical achievements of modernist art in the unsettled, tumultuous era we have inherited.

---

## FUGITIVE COLORS

---

### A NOVEL

---

*Simon and Schuster Debut Historical Suspense Novel Wins IPPY Award for Best "Literary Fiction 2014"* Stolen art, love, lust, deception, and revenge paint the pages of veteran journalist Lisa Barr's debut novel, *Fugitive Colors*, an un-put-down-able page-turner. Booklist calls the WWII era novel, "Masterfully conceived and crafted, Barr's dazzling debut novel has it all: passion and jealousy, intrigue and danger." *Fugitive Colors* asks the reader: How far would you go for your passion? Would you kill for it? Steal for it? Or go to any length to protect it? Hitler's War begins with the ruthless destruction of the avant-garde, but there is one young painter who refuses to let this happen. An accidental spy, Julian Klein, an idealistic American artist, leaves his religious upbringing for the artistic freedom of Paris in the early 1930s. Once he arrives in the "City of Light," he meets a young German artist, Felix von Bredow, whose larger-than-life personality overshadows his inferior artistic ability, and the handsome and gifted artist Rene Levi, whose colossal talent will later serve to destroy him. The trio quickly becomes best friends, inseparable, until two women get in the way—the immensely talented artist Adrienne, Rene's girlfriend with whom Julian secretly falls in love, and the stunning artist's model Charlotte, a prostitute-cum-muse, who manages to bring great men to their knees. Artistic and romantic jealousies abound, as the characters play out their passions against the backdrop of the Nazis' rise to power. Felix returns to Berlin, where his father, a blue-blooded Nazi, is instrumental in creating the master plan to destroy Germany's modern artists, and seeks his son's help. Bolstered by vengeance, Felix will lure his friends to Germany, an ill-fated move, which will forever change their lives. Twists and turns, destruction and obsession, loss and hope will keep you up at night, as you journey from Chicago to Paris, Berlin to New York. With passionate strokes of captivating prose, Barr proves that while paintings have a canvas, passion has a face—that once exposed, the haunting images will linger . . . long after you have closed the book. The Hollywood Film Festival awarded *Fugitive Colors* first prize for "Best Unpublished

*Manuscript" (Opus Magnum Discovery Award). The novel has been optioned for movie development by Hollywood producer Arthur Sarkissian (Rush Hour trilogy, While You Were Sleeping).*

---

## **LOOK AT THIS IF YOU LOVE GREAT ART**

---

### **100 ESSENTIAL ARTWORKS THAT REALLY MATTER**

---

*Ivy Press Look At This If You Love Great Art is a must read for anyone with a passion for exceptional art. Featuring 100 of the best artworks ever produced, inside is a collection of insightful summaries on just what it is that makes each one so vital. Art writer Chloë Ashby talks you through the pieces that resonate with her, revealing the fascinating stories behind them and offering her considered take on why each work should be regarded as a pinnacle of artistic endeavour. With entries curated to offer a unique juxtaposition of styles, mediums and schools of art, expect a contemporary take on classic artworks, where titans of art history cross paths with under-appreciated examples from outside the traditional canon, and where rebellious visionaries blaze trails that still influence today's cutting-edge artists. Covering all the most important genres of art -Abstraction, Pop Art, Surrealism, Renaissance art, Impressionism and more - this engaging summary only deals with artworks that really matter and the reasons why you have to see them.*

---

## **WHY A PAINTING IS LIKE A PIZZA**

---

### **A GUIDE TO UNDERSTANDING AND ENJOYING MODERN ART**

---

*Princeton University Press The first time she made a pizza from scratch, art historian Nancy Heller made the observation that led her to write this entertaining guide to contemporary art. Comparing modern art not only to pizzas but also to traditional and children's art, Heller shows us how we can refine analytical tools we already possess to understand and enjoy even the most unfamiliar paintings and sculptures.*

*How is a painting like a pizza? Both depend on visual balance for much of their overall appeal and, though both can be judged by a set of established standards, pizzas and paintings must ultimately be evaluated in terms of individual taste. By using such commonsense examples and making unexpected connections, this book helps even the most skeptical viewers feel comfortable around contemporary art and see aspects of it they would otherwise miss. Heller discusses how nontraditional works of art are made--and thus how to talk about their composition and formal elements. She also considers why such art is made and what it "means." At the same time, Heller reassures those of us who have felt uncomfortable around avant-garde art that we don't have to like all--or even any--of it. Yet, if we can relax, we can use the aesthetic awareness developed in everyday life to analyze almost any painting, sculpture, or installation. Heller also gives concise answers to the eight questions she is most frequently asked about contemporary art--from how to tell when an abstract painting is right side up to which works of art belong in a museum. This book is for anyone who agrees with art critic Clement Greenberg that "All profoundly original art looks ugly at first." It's also for anyone who disagrees. It is for anyone who wants to get more out of a museum or gallery visit and would like to be able to say something more than just "yes" or "no" when asked if they like an artist's work.*

---

## **THE IMPROBABILITY OF LOVE**

---

*Bloomsbury Publishing Annie McDee, alone after the disintegration of her long-term relationship and trapped in a dead-end job, is searching for a present for her unsuitable lover in a neglected second-hand shop. Within the jumble of junk and tack, a grimy painting catches her eye. Leaving the store with the picture after spending her meagre savings, she prepares an elaborate dinner for two, only to be stood up, the gift gathering dust on her mantelpiece. But every painting has a story - and if it could speak, what would it tell us? For Annie has stumbled across 'The Improbability of Love', a lost masterpiece by Antoine Watteau, one of the most influential French painters of the 18th century.*

---

## **ORIGINS OF IMPRESSIONISM**

---

*Metropolitan Museum of Art "This handsome publication, which accompanies a major exhibition at The Metropolitan Museum of Art, is a lively and engaging account of the artistic scene in Paris in the 1860s, the years that witnessed the beginnings of Impressionism. For the first time the interactions and relationships among the group of painters who became known as the Impressionists are examined without the overworn art historical polarities commonly evoked: academic versus avant-garde, classicist versus romantic, realist versus impressionist. A host of strong personalities contributed to this history, and their style evolved into a new way of looking at the world. These artists wanted above all to give an impression of truth and to have an impact on or even to shock the public. And they wanted to measure up to or surpass their elders. This complex and rich environment is presented here - the grand old men and the young turks encounter each other, the Salon pontificates, and the new generation moves fitfully ahead, benignly but always with determination." "Origins of Impressionism gives a day-by-day, year-by-year study of the genesis of an epoch-*

making style." "Bibliographies and provenances are provided for each of the almost two hundred works in the exhibition, and there is an illustrated chronology. With more than two hundred superb colorplates, this informative survey is an essential work for both the general reader and the scholar."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

---

---

## HISTORY OF ART

---

---

## THE WESTERN TRADITION

---

*Prentice Hall Professional* For forty years, this widely acclaimed classic has remained unsurpassed as an introduction to art in the Western world, boasting the matchless credibility of the Janson name. This newest update features a more contemporary, more colorful design and vast array of extraordinarily produced illustrations that have become the Janson hallmark. A narrative voice makes this book a truly enjoyable read, and carefully reviewed and revised updates to this edition offer the utmost clarity in contributions based on recent scholarship. Extensive captions for the book's incredible art program offer profound insight through the eyes of twentieth-century art historians speaking about specific pieces of art featured throughout. Significantly changed in this edition is the chapter on "The Late Renaissance," in which Janson offers a new perspective on the subject, tracing in detail the religious art tied to the Catholic Reform movement, whose early history is little known to many readers of art history. Janson has also rearranged early Renaissance art according to genres instead of time sequence, and he has followed the reinterpretation of Etruscan art begun in recent years by German and English art historians. With a truly humanist approach, this book gives written and visual meaning to the captivating story of what artists have tried to express—and why—for more than 30,000 years.

**THE INTELLIGENT GUIDE TO INVESTING IN THE CANADIAN ART MARKET**

---

*Dundurn Art Smart is a comprehensive guide to the Canadian art market for both novice and experienced collectors. It is full of advice that can give anyone the tools to determine the value of a piece of art and to not be intimidated by the often mystifying world of art. This informative and helpful volume covers the inner workings of the art market, from dealer trade secrets to expert strategies on buying and selling through auction houses and online. Art Smart gives the reader the knowledge needed to build a collection for long-term investment value, and also covers tax and estate planning, copyright issues, and charitable donations. It also contains all the latest resources for art research, with useful appendices to guide the art consumer in becoming their own art connoisseur. Art Smart is essential reading if you are curious to know more about how the art market functions and is an excellent resource guide for those already involved.*
