### The Apple That Astonished Paris

### Poems

**University of Arkansas Press** Bruce Weber in the *New York Times* called Billy Collins “the most popular poet in America.” He is the author of many books of poetry, including, most recently, *The Rain in Portugal: Poems*. In 1988 the University of Arkansas Press published Billy Collins’s *The Apple That Astonished Paris*, his “first real book of poems,” as he describes it in a new, delightful preface written expressly for this new printing to help celebrate both the Press’s twenty-fifth anniversary and this book, one of the Press’s all-time best sellers. In his usual witty and dry style, Collins writes, “I gathered together what I considered my best poems and threw them in the mail.” After “what seemed like a very long time” Press director Miller Williams, a poet as well, returned the poems to him in the “familiar self-addressed, stamped envelope.” He told Collins that there was good work here but that there was work to be done before he’d have a real collection he and the Press could be proud of: “Williams’s words were more encouragement than I had ever gotten before and more than enough to inspire me to begin taking my writing more seriously than I had before.” This collection includes some of Collins’s most anthologized poems, including “Introduction to Poetry,” “Another Reason Why I Don’t Keep a Gun in the House,” and “Advice to Writers.” Its success over the years is testament to Collins’s talent as one of our best poets, and as he writes in the preface, “this new edition . . . is a credit to the sustained vibrancy of the University of Arkansas Press and, I suspect, to the abiding spirit of its former director, my first editorial father.”

## Being Brought from Africa to America - The Best of Phillis Wheatley

**Read Books Ltd** Phillis Wheatley (c. 1753-1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote "To the University of Cambridge" when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. Dr. Sewell", "On the Death of the Rev. Mr. George Whitefield", etc. Ragged Hand is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author.

# Visions of the Daughters of Albion

## Newspaper Blackout

**Harper Collins** Poet and cartoonist Austin Kleon has discovered a new way to read between the lines. Armed with a daily newspaper and a permanent marker, he constructs through deconstruction—eliminating the words he doesn't need to create a new art form: Newspaper Blackout poetry. Highly original, Kleon's verse ranges from provocative to lighthearted, and from moving to hysterically funny, and undoubtedly entertaining. The latest creations in a long history of "found art," Newspaper Blackout will challenge you to find new meaning in the familiar and inspiration from the mundane. Newspaper Blackout contains original poems by Austin Kleon, as well as submissions from readers of Kleon's popular online blog and a handy appendix on how to create your own blackout poetry.

## The Poetry of Du Fu

**Walter de Gruyter GmbH & Co KG** The Complete Poetry of Du Fu presents a complete scholarly translation of Chinese literature alongside the original text in a critical edition. The English translation is more scholarly than vernacular Chinese translations, and it is compelled to address problems that even the best traditional commentaries overlook. The main body of the text is a facing page translation and critical edition of the earliest Song editions and other sources. For convenience the translations are arranged following the sequence in Qiu Zhao'an's Du shi xiangzhu (although Qiu's text is not followed). Basic footnotes are included when the translation needs clarification or supplement. Endnotes provide sources, textual notes, and a limited discussion of problem passages. A supplement references commonly used allusions, their sources, and where they can be found in the translation. Scholars know that there is scarcely a Du Fu poem whose interpretation is uncontested. The scholar may use this as a baseline to agree or disagree. Other readers can feel confident that this is a credible reading of the text within the tradition. A reader with a basic understanding of the language of Chinese poetry can use this to facilitate reading Du Fu, which can present problems for even the most learned reader.

## The Tyger

## Paul Revere's Ride

**Astra Publishing House** The classic poem in a newly illustrated edition. Paul Revere and his famous ride were immortalized by Henry Wadsworth Longfellow in a poem published in 1861, more than eighty years after the event. Longfellow wrote the poem at the time of the Civil War. He hoped that his story of an ordinary citizen who comes to the aid of his country would stir patriotic feelings and support for the Union. He was right. In fact, if it hadn't been for Longfellow, Paul Revere may have remained a local legend. The poem fired the imaginations of Americans and a national hero was born. This illustrated edition of the classic poem features vivid oil paintings by Monica Vachula, whose research into period and place can be seen in the smallest detail. A concluding note by historian Jayne Triber, author of A True Republican: The Life of Paul Revere, explores the poem and Paul Revere's place in American history.

## Resources in Education

### Spring and All

**Dover Publications** Heavily influenced by T. S. Eliot's "The Waste Land," the poems of Spring and All express the author's beliefs about the role and form of art in a modern context. William Carlos Williams offers an intensely stylized set of exercises in reduction that capture, in his words, "the immediacy of experiences." Sections of vivid, sensuous prose — described by the poet as "a mixture of philosophy and nonsense"—alternate with straightforward free verse that explores the creative uses of imagination and the power of language. "Spring and All," the title work of this 1923 collection, represents Williams's first major achievement as a poet, and was praised by The New York Times as one of the greatest poems of the twentieth century. This groundbreaking compilation also features some of the poet's best-known verse, including the modernist masterpieces: "The Red Wheelbarrow" and "To Elsie."

### Sana Sana

Poetry. African & African American Studies. Latinx Studies. Women's Studies. LGBTQIA Studies. "The virtue that I have long admired in the poems of Ariana Brown is the warmth that is directed upon the audience. And these poems know and identify their audience with gentleness and gratitude, even--or especially--when the audience is the self. Even death links its fingers with praise, even dislocation is met with a crawl back to some familiar affection. I am thankful to once again be witness to these poems that welcome and make space for the people who most need it. And for how Ariana Brown sets a lens on the world that is critical, but always caring."--Hanif Abdurraqib
