### House of Darkness House of Light

### The True Story Volume Three

AuthorHouse Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

### The Last Legend

### Awakened

Createspace Independent Publishing Platform A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

### The Arsonist's Last Words

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she can't shake the feeling that something isn't right. The official story doesn't ring true. Her interviews become front-page news. So does her suicide, a year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sister's effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Juni's laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks won't be the ones she finds. Told through an inspired mix of puzzle pieces—news stories, phone transcripts, press releases—and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--Provided by the publisher.

### Echoes in the Storm

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

## The Story of Electricity

Simon and Schuster The purpose of this little book is to present the essential facts of electrical science in a popular and interesting way, as befits the scheme of the series to which it belongs. Electrical phenomena have been observed since the first man viewed one of the most spectacular and magnificent of them all in the thunderstorm, but the services of electricity which we enjoy are the product solely of scientific achievement in the nineteenth century. It is to these services that the main part of the following discussion is devoted.

Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

## Ghost of a Rose

Createspace Independent Pub Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of its kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez

## Graveyard

## True Hauntings from an Old New England Cemetery

Graymalkin Media "Ghosts are always hungry," someone once said—and no one knows how ravenous they really are more than Ed & Lorraine Warren, the world's most renowned paranormal investigators. For decades, Ed and Lorraine Warren hunted down the truth behind the most terrifying supernatural occurrences across the nation... and brought back astonishing evidence of their encounters with the unquiet dead. From the notorious house immortalized in The Amityville Horror to the bone-chilling events that inspired the hit film The Conjuring, the Warrens fearlessly probed the darkness of the world beyond our own, and documented the all-too-real experiences of the haunted and the possessed, the lingering deceased and the vengeful damned. Graveyard chronicles a host of their most harrowing, fact-based cases of ghostly visitations, demonic stalking, heart-wrenching otherworldly encounters, and horrifying comeuppance from the spirit world. If you don't believe, you will. And whether you read it alone in the dead of night or in the middle of a sunny day, you'll be forever haunted by its gallery of specters eager to feed on your darkest dread. Don't miss the Warrens' latest film "Annabelle" in theaters now.

## Benevolent

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

## Starkishia

### Estrella 5x8

Small print edition 5x8Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. ### Her Lover

Createspace Independent Publishing Platform Author Introduction Alexei Maximovich Peshkov primarily known as Maxim Gorky , was a Russian and Soviet writer, a founder of the socialist realism literary method and a political activist. He was also a five-time nominee for the Nobel Prize in Literature. Gorky's most famous works were The Lower Depths (1902), Twenty-six Men and a Girl, The Song of the Stormy Petrel, My Childhood, The Mother, Summerfolk and Children of the Sun. He had an association with fellow Russian writers Leo Tolstoy and Anton Chekhov; Gorky would later mention them in his memoirs.

## The Last Seven Pages

### Two Days to Live. What Would You Write? a Memoir of Hope

James Pinnick When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, The Last Seven Pages is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

## The Door Is Open

Createspace Independent Pub "A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

## True Scary Stories: Volume Five (The Shadow Man - Part Two)

Dark Mistress Aurora About This Book: Studying shadow men causes them to appear. Writing about them does, too. Some creepy things have happened to me since I first decided to publish about shadow men. They're not happy that I wrote about them. Here's my story explaining. About this series: This is not just a horror novel or a true life story, it's also a game. I wanted to write out my real life supernatural experiences, but I also wanted to remain anonymous, so I disguise my identity by writing two fake stories along with every real story I tell. It's your job to figure out which story is true and which ones are fake.

## Embracing Survival

Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

## Primary History Kingdom of Benin

### The Complete Volume

CreateSpace Primary History Kingdom of Benin (Not to be confused with former Dahomey) has been written to support teachers to meet the requirements of the new National Curriculum Framework for history at Key Stage 2: a non-European society that provides contrasts with British history. It covers all historical aspects of the great kingdom which was at its height between the 14th and 16 centuries. This book is divided into three sections. The first section covers study of palace life; the second section covers growing up experiences of the kingdom's children and of ordinary people. The third section provides numerous and varied historical enquiries activities to improve pupils' knowledge and understanding of historical facts of the great kingdom and help to develop their enquiries skills. This section includes comparison of medieval British and Benin kings. This book incorporates historical sources including African oral traditions of storytelling, wood and terracotta sculptures and reading and analysis of the Benin bronze plaques through which the kings and elders of the kingdom chose to record their history. To keep up with technological advancement and opportunities, a dedicated website has been set up to provide further activities and up to date knowledge and information on the kingdom. A virtual classroom has also been created through which the author can clarify and provide additional support to teachers and pupils as necessary. Details of these websites are below. There are many more resources on the website including videos and photographs with cross curricular activities including ideas for developing writing and word work through drama and role play. This method of learning makes this unit an exciting topic for pupils to study. The kingdom, founded around 40Bc was at its height between the 14th and 16th century when it conquered neighbouring countries on the West African Coast and traded far afield with Europeans and traders from the East. It was sacked by the British in 1897 though the crown was restored in 1914, the king's authority and influence was highly diminished. However, the people's traditions and customs continue to this day. Fidelia Nimmons has a track record of achieving outstanding results with a variety of learners and has written many teaching and learning support books to this aim. ## The Land of Light

### Part One of the Nephilim Trilogy

When the cellcom network shuts down on May 7, 2060, an economic catastrophe of unprecedented scale engulfs the globe. Amid the chaos, the world's largest corporation sponsors the founding of a new society, seemingly as an experiment in social engineering. For thirty-six years, as civilization crumbles around it, this tiny remnant of the human race lives in perfect peace and harmony in the Land of Light. The society's leader, Farukh al-Qasim, fears peace cannot last without a fight. A world-renowned archaeologist before the collapse, Qasim has discovered a cache of ancient manuscripts that tell of this very future-and its dark end at the hands of the Nephilim. But there is hope. These same sources point also to a child, a savior, who will possess a great power lost long ago. If he is found, perhaps the Land of Light, perhaps humanity itself, might endure.

## Safina

### Daughter of Islam

When the American Ambassador to Iraq announces her true identity and sparks the Arab Revolution and Reformation of Islam on a global scale, the world is turned upside down. "Safina" is the first book in a trilogy that spans three generations of thrilling intrigue and battles, and tells her story of courageous commitment to the struggle for freedom around the globe. From Safina's cruel beginning as an abused eleven year old child bride in the deserts of Iraq, to the highest society of European aristocracy and power, she joins forces with Lieutenant Colonel, Brecken Petersen, a United States Marine Special Forces combat-hardened veteran, and takes her position as the most powerful leader on the planet. She fights every inch of her way from Basra to Amsterdam, and to Paris, on to Washington DC and finally to Egypt. She establishes the UFAS, (United Federation of Arab States), and recruits member states around the world to join the UFN (United Free Nations). Safina and her fellow revolutionaries fight to liberate Islam from 1400 years of barbaric enslavement of half its population - women. The United States Government is in flux, on the verge of civil war. Europe is wounded, and pockets of serious counter insurgencies continue to be a source of concern. Safina recruits Claude Molyneau, a world banker and financier who attempts to restore the financial foundations of Europe, and the monetary solvency of the United States. Readers who relish intrigue and espionage will like this novel. Those who appreciate a sophisticated love story will be engaged with all of their emotional and erotic senses. Individuals who thrill to the perfectly choreographed hand-to-hand combat and the expert use of martial arts and sophisticated weaponry will be in their element. Science geeks will recognize state-of-the-art new technologies that will be deployed in the near future. Political junkies will revel in the behind-the-scenes machinations that propel the world to the brink of ruination. They will glimpse what is likely to occur when Iran achieves nuclear weapons and an effective delivery system to attack Israel. Safina survives multiple attempts on her life until the last page of this book when it seems that all may be lost except.....

## A History of the Literature of the U.S. South: Volume 1

A History of the Literature of the U.S. South provides scholars with a dynamic and heterogeneous examination of southern writing from John Smith to Natasha Trethewey. Eschewing a master narrative limited to predictable authors and titles, the anthology adopts a variegated approach that emphasizes the cultural and political tensions crucial to the making of this regional literature. Certain chapters focus on major white writers (e.g., Thomas Jefferson, William Faulkner, the Agrarians, Cormac McCarthy), but a substantial portion of the work foregrounds the achievements of African American writers like Frederick Douglass, Zora Neale Hurston, and Sarah Wright to address the multiracial and transnational dimensions of this literary formation. Theoretically informed and historically aware, the volume's contributors collectively demonstrate how southern literature constitutes an aesthetic, cultural and political field that richly repays examination from a variety of critical perspectives.

### The Story of a Young Boy Who Becomes His Adoptive Mothers's Greatest Spiritual Teacher

Createspace Independent Publishing Platform Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

### Stop The Slip

### Reducing Slips, Trips and Falls

Stop the Slip Slips, trips and falls are a chronic health problem in the US and around the world. Fall injuries are the number one cause of emergency room visits and the fourteenth leading cause of death in the US. The average person is 7 times more likely to die from a fall than from the flu and 3 times more likely to die from a fall than by a firearm. Since 1999, we have reduced deaths from heart disease 15%. Deaths caused by auto accidents are down 12%. But during that same time period deaths from falls have increased over 150%. Both injuries and deaths caused by falls are at record highs and the problem continues to grow. We've learned how to fix the human heart and we have made driving safer. Now is the time to focus on preventing fall injuries. The good news is that fall injuries are preventable. Everyone falls, but falls don't just happen, they're preceded by other events. When you eliminate those events, you reduce the risk of falling. Stop the Slip shows how you can avoid these injuries. Following the simple five step A-L-E-R-T System(TM) discussed in the book you will reduce your risk of falling. Thom Disch provides an entertaining and engaging look at: Why we fall; where we fall; the business side of falls; and most importantly how we can prevent and avoid fall injuries. The book is a comprehensive mix of research on the topic of falls and fall injuries mixed with real world stories and experiences about falls and their consequences. As you read this book you'll also discover many interesting and surprising facts. For example: -Fall injuries are not just a problem for the elderly. 75% of all fall injuries happen to people under the age of 68. -The annual economic impact of fall injuries in the US exceeds \$150 billion, or more than 1% of our gross domestic product. -Falls are the number one cause of traumatic brain injuries. -Winter weather appears to be a much smaller cause of fall deaths than you might expect. -Falls cause nearly 4 times more emergency room visits than auto accidents. This is a topic that affects everyone. Reading this book is the first step to making your family and friends safer.
